An amount of Rs. 4.6 crore to implement the first phase of the project has been placed at the disposal of the Registry of the Supreme Court.

(c) Delay in clearing the cases is due to various factors such as inadequate judge strength and supporting staff, lack of infrastructural facilities including computerisation of courts, procedural delays, lawyer's strike etc.

(d) No time frame can be fixed for computerisation of courts in cities. The Government has undertaken computerisation of city courts in the four major metropolitan cities only as a pilot project. All State Governments are expected to implement similar schemes in their jurisdiction out of their own resources.

.THE MINISTER OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRIANANTH KUMAR): (a) No new employment scheme for the urban poor in Assam has been formulated during the year 2001 -2002 by the Ministry of Urban Development and Poverty Alleviation. However, the Ministry of Urban Development and Poverty Alleviation has been implementing through the State Governments/UTs, a Centrally Sponsored Urban Poverty Alleviation Programme named Swarna Jayanti Shahari Rozgar Yojana (SJSRY), on all India basis including in the State of Assam, with effect from 1.12.1997 with a view to providing gainful employment to the urban unemployed or under-employed poor through (i) encouraging the setting up of self-employment ventures by those who have studied upto 9th standard and (ii) provision of wage employment by utilising their labour for construction of socially and economically useful public assets. The scheme is funded in the ratio of 75:25 between the Centre and the States.

In addition, the Ministry of Small Scale Industries have been implementing a self-employment scheme, namely, Prime Minister's Rozgar Yojana (PMRY) with effect from 2nd October, 1993. During 1993-94 the scheme was in operation only in urban areas of the country. Since 1994-95 the scheme is being implemented in both urban and rural areas of the country. Under this scheme educated unemployed youth are assisted to set up tiny units costing upto Rs. 2 lakh in all economical viable activities.

(b) During the year 2001 -2002, tentative allocation of Central funds under SJSRY in respect of Government of Assam was Rs. 312.04 lakh. The allocated funds could not be released since the State Government had not furnished the requisite Utilisation Certificates and also did not provide the State share. The State Government was holding unspent funds of Rs. 2511.40 lakh from previous years' releases and reported an expenditure of Rs. 914.45 lakh only during the year 2001 -2002.

Under the PMRY, Central Government releases funds for subsidy, training and contingency etc. The funds for subsidy are authorized to the Reserve Bank of India (RBI) to be passed on to the individual beneficiaries through the implementing banks. Hence the State-wise details are not available. The Central Government releases funds at the pre-determined rate for training and contingency etc. to States/UTs. Under the scheme, Central funds amounting to Rs. 42.8535 lakh have been released to the

State Government of Assam during 2001-2002. The State Government has not yet reported any expenditure out of these releases.
