

(c) whether about eighty two thousand cases are pending in the Court;

(d) whether any recommendation has been received from Government of Bihar as well as Patna High Court for filling up of vacant posts; and

(e) if so, by when Government would complete the task of increasing the number of Judges and filling up of vacant posts?

THE MINISTER OF LAW AND JUSTICE (SHRI K. JANA KRISHNAMURTHY): (a) to (e) The approved strength of a High Court is fixed taking into account the volume of institution and disposal of main cases and not on the basis of population. Against the approved strength of 31 Judges of the Patna High Court, as on 1.8.2002, 23 permanent Judges, including 3 transferee Judges, are in position in the Patna High Court. Five Judges from Patna High Court are working in other High Courts. As against *six* vacancies, which can be filled up by appointment, in the Patna High Court, recommendation for filling up of two vacancies only has been received from the Patna High Court. Recommendation for filling up of the remaining vacancies is awaited from the Chief Justice of the High Court. The remaining two vacancies in the Patna High Court can be filled up by transfer of Judges from other High Courts. The Law Commission has not recommended any minimum requirement of Judges in the case of the Patna High Court.

As regards pending cases, as on 31st December, 2001, 80956 cases were reported as pending in the Patna High Court.

The Judge strength of every High Court is reviewed every three years. The Chief Justices of all High Courts, including the Patna High Court, were requested to furnish comprehensive details regarding institution and disposal of main cases during the period 1997—2001 by July 31, 2002. Response from majority of High Courts is yet to be received.
