

Inventorisation of polluting sources and pollution load.

Augmentation of Water and Air quality monitoring stations.

Implementation of Municipal Solid Wastes (Management and Handling) Rules, 2000 notified under the Environment (Protection) Act, 1986.

Plantations programme

†2565. SHRI RAMDHAR KASHYAP: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) the total number of trees planted in the country, State-wise, the type of trees and the total area covered under plantations, during each of the last three years and during the current year;

(b) the target fixed for plantations during 2002-2003;

(c) the estimated amount to be spent for this purpose;

(d) whether there has been decrease in the number of trees, especially teak trees; and

(e) if so, the steps taken to increase their number?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRIT.R. BAALU): (a) to (c) Under point No. 16 of 20 point programme, afforestation/ tree planting activities are carried out through out the country annually depending on the funds made available under central and state plans. An amount of Rs. 175.25 crores is earmarked for afforestation under the Central Plan Funds alone. The choice of species for plantation is determined on the basis of agro-climatic conditions by state governments. The targets & achievements during last three years under 20 point programme including tentative targets for 2002-03 are given in the Statement (Seebelow).

(d) There has been no species-wise survey as yet.

(e) Does not arise.

†Original notice of the question was received in Hindi.

Statement

Statewise physical targets & achievements during 1999-2000 to 2001-2002 and Tentative Targets for 2002-2003

Area in hectares/Seedling in lakhs
