

commissioned 4,984 MW of BHEL manufactured sets, and 740 MW of Ratnagiri Block **III**. Additionally, BHEL has also commissioned 220 MW nuclear set at Kaiga (non-BHEL make) during 2007-08.

The remaining orders of domestic utility power projects are scheduled to be manufactured and commissioned as follows:

Year	MW
2008-09	5,959
2009-10	7,198
2010-11	14,594
2011-12	5,431

These projects are progressing as per schedule.

#### Auto Policy 2002

3047. SHRI RAHUL BAJAJ: Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state whether national sectoral policies, *e.g.* the Auto Policy of 2002 are not required to be approved by the Parliament?

THE MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI RAGHUNATH JHA): As per the Government of India guidelines, laid down in Manual of Office Procedure, as revised from time to time, the Departments are responsible for formulation of policies in relation to business allocated to them and also for execution and review of those policies. Accordingly, the Auto Policy of 2002 was framed with the approval of the Government. It was also laid in the Parliament on 07.03.2002.

#### Revival of Hindustan Cables Ltd.

3048. SHRI SYED AZEEZ PASHA: Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

whether Government is aware of the request of Andhra Pradesh for assistance to Hindustan Cables Limited, a Public Sector Unit, which has come to stand still due to lack of working capital and it is facing a severe financial crunch;

if so, whether any step have been taken by Government;

if so, the details thereof; and

if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI RAGHUNATH JHA): (a) Yes Sir, A request had been received from the Chief Minister, Andhra Pradesh for revival of the Hyderabad Unit of HCL in 2004 & 2006.

(b) Government of India has got conducted several feasibility studies to consider revival of the Hindustan Cables Limited. The latest study was conducted by IIT Kharagpur in March 2007.
