There is no cap on funding under scheme. It is an open-ended scheme depending on the capacity of the industry to absorb funds in bankable and technoeconomically feasible proposals. Loans under the scheme are extended by the nodal agencies/co-opted institutions to the identified segments of the industry for the projects in conformity with the scheme from their own resources. Government funding is limited to reimbursement of interest at 5% point on the interest charged by the lending agency on a project of Technology Upgradation in conformity with the scheme. Any viable textile unit, which is eligible as per the normal lending norms of the concerned financial institutions and fulfill the benchmark criteria of the scheme, can avail of the funds under the scheme.
