

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI SURESH PRABHU): (a) to (c) Urea is the only fertiliser which is under price, distribution and movement control of Government of India. The demand of urea is assessed in consultation with the State Governments and allocation is made under the Essential Commodities Act (ECA). All other fertilisers are decontrolled and no allocations are made by the Government.

Overall availability of all fertilisers was satisfactory in financial year 1999-2000 in Himachal Pradesh and there were no reports of shortages. However, temporary and localised shortage of complex fertiliser 12:32:16 were reportedly experienced during November, 1999 which were overcome by the State Government by managing additional supplies from India Farmers Fertiliser Cooperative Limited (IFFCO).

The assessed demand for urea for Kharif 2000 for which allocation have been made and its availability in Himachal Pradesh upto 15-4-2000 has been as under:

(‘000 tonnes)

Year	Demand	Availability (upto 15-4-2000)
Kharif 2000	32.00	7.22
