WRITTEN ANSWERS TO UNSTARRED QUESTIONS

Utilisation of MPLADS Fund

892. DR. GOPALRAO VITHALRAO PATIL: Will the PRIME MINISTER be pleased to state:

(b) Whether it is fact that the utilisation of Members of Parliament Local Area Development Scheme (MPLADS) is only 60 per cent and less;

(c) If so, the reasons for less utilisation; and

(d) What steps are being proposed by Government to the fullest utilisation?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING, MINISTER OF STATE IN THE MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE IN THE DEPARTMENT OF ADMINISTRATIVE REFORMS AND PUBLIC GRIEVANCES OF THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS (SHRI ARUN SHOURIE): (a) and (b) During the period from 1993-94 to 1999-2000 (as on 30.11.1999), the Government of India released Rs. 4232.8 crores under the Member of Parliament Local Area Development Scheme (MPLADS), against which Rupees 2734.8 crores have been reported to have been utilised for various works under the Scheme. Thus at all India level the percentage of utilisation over the release is 64.6 per cent. There are however some states where percentage utilisation is less than 60 per cent. A table setting out state-wise details is annexed in STATEMENT (See below). Some of the reasons for less utilisation are the civil nature of works proposed by the MPs, transfer of land for the work site taking time, limited working season in many of the States, the operation of Model Code of Conduct for elections.

(e) IAll the Members of Parliament have been requested to give

their recommendations for various works well in advance in phased manner, not to cancel the works in the mid-way, recommend civil works only on undisputed locations. All the District Collectors have also been advised to process and sanction all the works recommended by the MPs to the extent of their entitlement of MPLADS funds and to stipulate a time limit for the implementing agencies to complete the given work in a specific time frame depending on the nature of work. The State Governments also have been advised to issue necessary instructions all concerned to strictly follow the monitoring arrangements as laid-down in the guidelines.
