THE MINISTER OF AGRICULTURE (SHRI NITISH KUMAR): (a) to (d) A memorandum was received from Government of Gujarat seeking additional assistance of Rs. 610.65 crore from the National Fund for Calamity Relief (NFCR), for relief and rehabilitation measures in the wake of the cyclone of June, 1998. After following the prescribed procedure, the National Calamity Relief Committee (NCRC) decided, in March, 1999, to release an assistance of Rs. 55.35 crore from the NFCR. This was released to the State Government by the Ministry of Finance on 31.3.1999. The Ministry of Finance had termed the release as ad-hoc only because it was beyond the corpus of the NFCR. The release of Rs. 55.35 crore was the final payment towards the additional assistance in the wake of the cyclone of June, 1998, as approved by the NCRC.

A preliminary memorandum projecting requirement of Rs. 528.86 crore for relief measures in the wake of drought conditions during the current year has also been received in the last week of October, 1999. The memorandum is under consideration in accordance with the procedure laid for the purpose.
