RAJYA SABHA

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI BALASAHEB VIKHE PATIL): (a) to (c) A policy holder is entitled to get the paid up value of the policy if the policy lapses after three years. The policy holders sometimes do not collect the amount due to them for one reason or the other. In such cases efforts are made by LIC to reach the policy holder through letters and personal efforts. In spite of this if no response is received from the policyholder or his whereabouts are not known, the amount is transferred to the 'Written Back Account' so that as and when the policy holder approaches the LIC, the amount could be paid to the policyholder. If the LIC is unable to reach the policyholder even after 5 years, the amount in the Written Back Account is credited to the Life Fund and the benefit is given to the other policyholders until the amount is claimed by the policyholder. The Amount due to policyholders will not get time-barred simply because it is not claimed by them in time. The net amount in the 'Written Back Account' transferred to the Life Fund during the last 5 years, after unclaimed payments are made to the policyholders, is Rs. 75.88 crore.
