SHRI SANATAN BISI:

SPECIAL MENTIONS

Flood situation in Tamil Nadu and need to provide Financial Assistance

SHRI S. VIDUTHALAI VIRUMBI (Tamil Nadu): Mr. Chairman, Sir, I rise to raise an important issue of the suffering in Tamil Nadu because of heavy rains for the past one week due to the low pressure. Sir, heavy damage has occurred. It is an unprecedented damage. Several huts and houses have been damaged. Unlike cyclone, the damage is not localised to any particular area, but has affected Tamil Nadu throughout. Sir, the standing crops, particularly, in coastal areas, have been submerged. Agriculturists also are affected badly. Nearly forty people have lost their lives, in spite of the timely warning given by the concerned Department. Sir, the State Government is doing its best. It has actually evacuated the people of low-lying areas to safer places. However, the catchment areas of tanks received heavy rainfall. The downpour has affected even the air services. Trees were uprooted. Water-logging can be seen at many places. Sir, it has, more or less, hampered the free movement of traffic. We are doing our best. Food packets are distributed to the flood victims. Those affected by the floods were shifted to relief centres. In spite of it, Sir, the damage is heavy as it was unprecedented in recent history. Therefore, I request the Hon. Prime Minister, through you, Sir, to immediately release a considerable amount of money from the Prime Minister's Relief Fund to help the people who lost their lives in this flood. I request the hon. Government, through you, Sir, to release some amount from the Natural Calamities Fund, at least on on-account
