The pursuance of this, the UGC had appointed a Committee in November, 1992, under the Chairmanship of Justice (Dr.) K. Punnayya to, inter-alia, examine the present policy, norms and the pattern of providing development and maintenance grants to the Central/ Deemed Universities and Delhi Colleges; to study the extent to which these institutions are raising their own resources and suggest specific measures for augmenting the proportion of resource-raising by them, and to explore and recommend ways of improving the overall cost efficiency of these institutions. The Report of this Committee, together with the views of the UGC there-on, has been sent to the VCs of Central, State and Deemed Universities as also to the State Governments and Union Territory Administrations for consideration and adoption of the recommendations relevant to them.

UGC has also initiated a scheme for giving matching grants to the universities by way of an incentive for mobilising extra-budgetary resources by them. Under the scheme, funds to the extent of 25% of the additional resources mobilised by the concerned universities are provided by the Commission.
