Spurt in World Oil Prices

1498. SHRI KRISHNA KUMAR BIRLA : Will the PRIME MINISTER be pleased to state :

(a) whether there has been a world-wide spurt in oil prices, recently;

(b) if so, the percentage of rise;

(c) the estimated increase in the cost, in foreign exchange, of oil import bills during the year;

(d) what is the estimated shortfall, if any in the domestic production as against the projection; and

(e) the overall impact on the domestic prices as a result of import of oil at a higher cost?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI T.R. BAALU) : (a) to (c) Prices of oil in the international market are highly volatile and are subject to wide fluctuations. Prices of oil in the international market have shown a hardening trend currently. The actual quantum of foreign exchange required for oil import bill depends upon the overall quantities imported and prices of crude oil and petroleum products prevailing in the international market.

(d) The estimated shortfall will be around 3-4 MMT.

(e) It is estimated that commulative outstandings of the oil companies would go up to Rs. 15500 Crores as on 31.3.97.
