(c) and (d) Inflow of multilateral and bilateral loans into a particular State depends upon the size and performance.

The size of this portifolio of externally aided projectsw (EAPs)., The size of this portfolio depends on the viable proposals of the State Govenment which must conform to the National Policy and plan priorities as well as the lending strategy and priorities of the donors.

to Unstarred Questions

So far, the size of the EAPs portfolio in Bihar is not sufficient enough to enable them to draw foreign loan on a large scale.
