

PRASAD NISHAD): (a) No countrywide survey has been conducted to assess the population of peacocks.

(b) No, Sir.

(c) While the peacock is distributed almost throughout the country, it is more common and abundant in Gujarat and Rajasthan.

(d) Although no specific action plan has been drawn up to protect the peacock, it is afforded full protection from hunting and commercial exploitation under Schedule I of the Wild Life (Protection) Act, 1972. It is also our National bird.

(e) and (f) No such proposal is under consideration of this Ministry. The peacock and its habitat is also protected in a number of sanctuaries in the country. Sanctuaries are declared and managed by the States and Union Territories under the provisions of the Wild Life (Protection) Act, 1972.
