#### Export of Cotton

2204. SHRI PRAMOD MAHAJAN:  
SHRI VIREN J. SHAH:

Will the Minister of TEXTILES be pleased to state:

(a) whether the farmers and cooperatives of Gujarat and Maharashtra have been urging the Central Government to allow export of five lakh bales of cotton in order to arrest the sliding prices which are adversely affecting the interest of cotton growers;

(b) what is the quantity of cotton purchased by the Cotton Corporation of India at the minimum support prices during this year so far;

(c) whether CCI is reluctant to undertake such an operation, if so, the reasons therefor; and

(d) what steps Government have taken so far for the lifting of restrictions on the sale and export of cotton and

safeguarding the interests of the cotton growers?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI KAMAL NATH): (a) Requests have been received from Maharashtra and Gujarat for allowing export of cotton.

(b) and (c) Ruling market prices of kapas during the current season being much higher than support prices, the Cotton Corporation of India (CCI) has had no occasion so far to undertake cotton procurement at Minimum Support Prices, it has, however, been purchasing some cotton at market prices, and has kept itself ready to undertake price support operations should such an exigency arise.

(d) There is no restriction on sale of cotton. Export of cotton is allowed by the Government after assessment of the cotton supply position and domestic demand, and the likely surplus available.
