Amendments in Allotment Rules of DAE

1790. SHRI E. BALANANDAN: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the Department of Atomic Energy made amendments in their Allotment (Residence) Rules in the month of March, 1995;

(b) if so, the amendments made and whether these amendments are based on the principle adopted and directives issued by Ministry of Urban Affairs and Employment;

(c) if not, whether these amendments created unrest amongst the employees leading to agitation by employees which was later withdrawn; and

(d) what was the action taken by the Department thereon?

THE MINISTER OF STATE IN THE PRIME MINISTER'S OFFICE (SHRI BHUVNESH CHATURVEDI): (a) Yes, Sir.

(b) The amendments relate to re-categorisation of flats on the basis of living area and the alteration of the rule of eligibility for allotment of category 'D' accommodation on the basis of pay seniority from service seniority hitherto. The Department of Atomic Energy (DAE) has its own rules for allotment of accommodation. The Ministry of Urban Development (MOUD) follows the concept of plinth area for construction of quarters and living area for recovery of licence fee. In March 1995, the Department categorised flats on the basis of living area. In the matter of allotment of category 'D' flats MOUD follows service seniority but the Department found it necessary to deviate from this and adopt pay seniority as the criterion for allotment.

(c) and (d) Representations were received from both the Officers Association and Staff Unions. There were hunger strikes and demonstrations by a section of employees. In order to find an amicable solution the Department kept the order of 29th March, 1995 in abeyance and appointed a Committee of Officers to hear representations and to make recommendations. On the basis of the recommendations of this Committee the Department has issued revised orders re-categorising flats on the basis of a combination of plinth and living area and revising the rule for allotment of 'D' seniority and pay seniority.

(c) the reasons for which similar benefit has been denied to Research Assistants in the Central Council for Research in Unani Medicine, Yoga and naturopathy and Homoeopathy?
