SHRI RAJUBHAI A.
PARMAR:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is essential to qualify the National Eligibility Test conducted by the University Grants Commission for appointment to regular lecturer's job under the University of Delhi and also other Universities in India;

(b) whether vested interests in selection boards of different Delhi University Colleges have been flouting this requirement to the detriment of duly qualified candidates with far higher substantive academic qualifications;

(c) if so, the number of such posts filled in Delhi University colleges in 1994, 1995 and 1996 with candidates who had not cleared the NET; and

(d) the steps taken or being taken to fill such posts with duly qualified candidates?

THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCATION IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MUHI RAM SAIKLA): (a) to (d) The Scheme for Revision of pay and Allowances of University and College Teachers, in force since 1-1-1986, notified by the University Grants Commission includes qualifications for initial appointment of lecturers. The relevant Ordinances of the University of Delhi containing conditions of such appointments had not incorporated all the conditions laid down by the UGC. The matter was finally disposed off by the Supreme Court in September, 1994 effectively upholding the supremacy of UGC Regulations vis-a-vis the Ordinances of the University of Delhi. The University has since amended its relevant Ordinances bringing it in line with the UGC Regulations and

appointments of Lecturers are now being made in accordance with such Regulations. It would, however, be difficult to specifically indicate the number of appointments made, prior to the amendment of University Ordinances, at variance with the UGC Regulations.
