\*423. SHRIMATI MALTI SHARMA:  
SHRI RAJ NATH SINGH:

Will the Minister of FOOD be pleased to state:

(a) whether the issue prices of wheat, rice and sugar have been increased during 1990 to 1995;

(b) if so, the details thereof;

(c) the reasons for increasing their issue prices despite the increase in subsidy provided by Government on these items;

(d) whether this increase has been made proportionately; and

(e) if so, the details in this regard?

THE MINISTER OF FOOD AND MINISTER OF.. CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI DEVENDRA PRASAD YADAV): (a) and (b) A statement giving the requisite information is enclosed (see below)

(c) Increases in Minimum Support Price and expenses on procurement, distribution and carrying cost of stocks lead to rise in economic cost of foodgrains. The Central Issue Price (CIP) is revised from time to time taking into account relevant factors such as availability and price of food grains in open market, ability of consumers to pay, the likely impact of issue prices on the general economy, the need to safeguard the interest of poor and the ability of the subsidy budget to absorb increases. The CIP of wheat/rice and PDS consumer price of sugar have not been revised after 1.2.94.

The increase in CIP only partially covers the increase in economic cost. The rest is covered by increase in subsidy.

(d) No, Sir.

(e) Does not arise.

(a) the details of welfare schemes, State-wise;

(b) the funds earmarked;

(c) whether the funds in some cases remain unutilised; and

(d) if so, the details thereof and the reasons therefor?

THE MINISTER OF WELFARE (SHRI BALWANT SINGH RAMOOWALIA): (a) to (d) For the welfare and development of scheduled castes there are 14 schemes, out of which 10 are centrally sponsored schemes and 4 are central sector schemes. The centrally sponsored schemes include 1) Assistance to Scheduled Castes Development Corporation, 2) Liberation and Rehabilitation of Scavengers, 3) Post matric scholarship, 4) Pre-matric scholarships, 5) Book banks, 6) Girls Hostel, 7) Boys Hostel, 8) Coaching and Allied Scheme, 9) Upgradation of Merit and 10) PCR/Atrocities. The central sector schemes include 1) Special Central Assistance to SCP, 2) National Scheduled Castes and Scheduled Tribes Finance & Development Corporation, 3) Aid to voluntary organisations (NGOs) and Research and Training.

Under the Centrally Sponsored Schemes matching assistance has to be provided by the State. The Central Sector Schemes are fully funded from the Central budget.

In respect of central assistance to the National Scheduled Castes and Scheduled Tribes Finance and Development Corporation (NSFDC), there is no earmarking of funds to the States. The NSFDC releases the sums through the State channelising agencies based on the proposals received from them. Like-wise, in respect of assistance to voluntary organisations (NGOs), releases are not made State-wise but directly to NGOs. In respect of the Scheme of Research and Training, no direct releases are being made to the States. Under this scheme grant-in-aid is given to research organisation and universities.

Statements indicating release, utilisation and non-utilisation in respect of the 10 Centrally Sponsored Schemes and one central sector scheme (SCA to SCP) for the last 3 years are given in

Annexures I to XI [See Appendix 178, Annexure NO. 62]. The reasons for non-utilisation include 1) non-receipt of complete proposals from States and inadequate matching shares.
