Central Assistance to Compensate Losses of Revenue Arising out of Enforcing Prohibition

2801. SHRI ISH DUTT YADAV: SHRI SANJAY DALMIA: Will the Minister of WELFARE be pleased to state:

(a) whether the Union Government have received any requests from some State Governments for Central assistance to compensate loss of revenue arising out of enforcing prohibition;

(b) if so, the details of such States; and

(c) the action taken by the Central Government thereon so far?

THE MINISTER OF WELFARE (SHRI BALWANT SINGH RAMOOWALIA): (a) and (b) The Government of Andhra Pradesh had requested on 4.2.1995 the Central Government to compensate them to the extent of 100% for the loss of revenue on account of implementation of prohibition in the State. This Ministry has not received request from any other State.

(c) There is no Central Scheme for providing financial assistance to States to compensate them for loss of revenue arising out of enforcing Prohibition.

The Tenth Finance Commission (TFC) in its report for (1995-2000) submitted to the Government of India in November, 1994 has indicated that it has taken note of the Prohibition policy by certain States like Gujarat and Tamil Nadu and more recently by Andhra Pradesh and Orissa apart from some of the North-Eastern States. The States concerned had impressed upon the TFC the need for compensating them for the losses on this account as they had taken these measures in furtherance of the Directive Principles of the State Policy. The TFC has adjusted the base year estimates of States revenues taking into account the effect of the Prohibition Policy of the State on its excise revenues and made projections on the basis. The recommendations of the TFC have been accepted by the Government of India.
