THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE OF THE MINISTRY OF SCIENCE & TECHNOLOGY (SHRI YOGINDER K. ALAGH): (a) Under the Members of Parliament Local Area Development (MPLAD) Scheme, the Department of Electronics has promoted five electronics projects to create awareness about their productive applications and to promote their usage in schools/colleges etc. and in the respective arcs. As mentioned in the Brochure on 'Guidelines on Implementation of Electronics Projects', the Department of Electronics provides the necessary technical assistance and guidance to facilitate implementation of these projects.

(b) No, Sir. There is no provision for recognition of schools for the purpose of computer education in the guidelines issued for implementation of electronics projects under MPLAD Scheme by the Department of Electronics. However, under a separate scheme namely, the Department of Electronics-Accreditation of Computer Courses (DOEACC), computer training institutes in the non-formal sector (private/public) subject to meeting well defined norms and criteria, are given accreditation for conducting specified level of computer courses viz. 'O' (Foundation) 'A' (Advanced)

Diploma), 'B' (Graduate) and 'C' (Post-Graduate).

(c) No, Sir.

(d) Literature and other relevant course material in computer education may be provided by Schools to students under the MPLAD Scheme.

(e) the proposal to revise the existing Guidelines on Implementation of Electronics Projects is under consideration of the Government of India. material to such schools; and

#### **ONGC and BPCL, Joint Venture for Manufacturing Xylene, Benzene, etc.**

\*565. SHRI R.K. KUMAR: Will the PRIME MINISTER be pleased to state:

(a) whether ONGC and BPCL are planning a joint venture company for manufacturing Xylene, Benzene, etc;

(b) whether evaluation of the project has been made keeping in view all established parameters, including indigenously available capacity;

(c) whether the proposed capacity of the plant is 275,000 tonnes which is not viable in comparison to internationally recognised capacity of 4000,000 tonnes, particularly in view of current APM price of Naphtha;

(d) whether ONGC has no expertise in this field; if so, the reasons for going in for this venture; and

(e) whether Government would consider all aspects before granting approval for the project?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI T.R. BAALU): (a) Oil & Natural Gas Corporation Limited and Bharat Petroleum Corporation Limited are conducting discussions for arriving at a Memorandum of Understanding for setting up of a Joint Venture Company to implement a grass-root paraxylene project at Hazira in Gujarat.

(b) ONGC has done a preliminary evaluation of the project in accordance with the established parameters.

(c) The proposed capacity of the joint venture project is—

|             |             |
|-------------|-------------|
| Paraxylene  | 275,000 TPA |
| Orthoxylene | 55,000 TPA  |
| Benzene     | 300,000 TPA |

(d) ONGC has the capability to execute the project. In order to diversify its areas of operation to provide a source of stable revenue generation, ONGC has submitted a proposal for setting up a petrochemical project.

(e) There is an established procedure for granting approvals for such projects which will be followed in this case also.
