#### Bridge Loans Allowed by Banks/FIs

2373. SHRI CHIMANBHAI HARIBHAI SHUKLA: Will the Minister of FINANCE be pleased to state:

(a) the total amount of bridge loans allowed by Banks/FIs against Right-cum-Public issue of first ten top industrial groups of the country;

(b) whether the loans have become sticky;

(c) if so, the reasons therefor;

(d) whether any of the above banks/FIs was connected with the issue either as merchant banker, Lead Manager or as a banker of the company; and

(e) whether U.T.I. IDBI/or any foreign bank/ nationalised bank withheld the sanction of bridge loan to the above issues; if so, the reasons therefor?

THE MINISTER OF FINANCE (SHRI P. CHIDAMBARAM): (a) to (e) The Reserve Bank of India (RBI) has reported that its data reporting system does not generate such information. However, as per information available with RBI, 315 bridge loans aggregating to Rs. 1319.02 crore were disbursed by seven major banks (Bank of Baroda, Bank of India, Canara Bank, Central Bank of India, Punjab National Bank, State Bank of India and Union Bank of India) against public issue during April, 1994 to March 1995.

It may be added that bridge loans by banks/ financial institutions to all companies (including finance companies) against their public issues were banned with effect from April 20, 1995. However, RBI have on October 16, 1995 advised banks that they may consider sanction of bridge loans/interim finance against

commitment made by a financial institution and/ or another bank only in cases where lending institution faces temporary liquidity constraint and subject to certain conditions. Bridge loan against public issues, however, continue to be banned.

**Rise in prices despite decline in inflation**

2376. SHRI RAJUBHAIA. PARMAR:  
SHRIMATI VEENA VERMA:

Will the Minister of FINANCE be pleased to refer to the answer to Starred Question No. 100 given in the Rajya Sabha on 16th July, 1996 and state;

(a) whether it is a fact that prices continue to rise while inflation dipped to all time low in May-June, this year;

(b) if so, the reigning prices of different essential commodities, especially consumer items at each week-end; and

(c) the main reasons for continued rise in prices?

THE MINISTER OF FINANCE (SHRI P. CHIDAMBARAM): (a) and (b) During May-June, 1996 the annual rise in prices (inflation) was less than 5% but the rise in the prices of essential commodities ranged from allow 3.4% to a high 9.1%. The magnitude of annual increase in selected essential commodities is listed below in Table-I (See below).

(c) The rise in prices of some essential commodities is partly seasonal in nature or due to a marginal production short-fall in some commodities such as wheat and also due to upward revision in minimum support/procurement prices.
