(b) any further corrective measures contemplated by Government for strengthening-the monitoring process?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL AREAS AND EMPLOYMENT (SHRI CHANDRADEO PROSAD VERMA): (a) As on 31.12.95, CAPART has black-listed 24 voluntary organisations. The List of these voluntary organisations is at annexure-I. [See Appendix 178, annexure no. 56]. In addition, CAPART has also blacklisted 152 voluntary organisations which were blacklisted by other Government agencies. The list of these voluntary organisations is at Annexure-II. [See Appendix 178, annexure no. 56].

As regards the chiefs of these voluntary organisations, CAPART has intimated that it deals with a voluntary organisation as a legal entity and funds are released in the name of the society through their bank account.

(b) CAPART has reported that it has strengthened the monitoring and evaluation mechanism. Now, for every project three evaluations are generally undertaken, namely prefunding appraisal, midterm evaluation and final evaluation. However, where there is documentary evidence available with CAPART that atleast one CAPART assisted project had been completed satisfactorily by the voluntary organisations in the same or related field, pre-funding appraisal may be dispensed with. Also, in such cases the voluntary organisation should have had a good tract record with CAPART.
