

SHRI S. B. CHAVAN: We have to maintain that. If Mr. Jaipal Reddy and others would like to put on record that it did not mean that they were going to concede this or that, if we were also to say something, this would only raise some kind of a controversy again which, in fact, we were trying to avoid. Therefore, I would request all of you. I have no objection to giving time for consultation, whatever time is required for consultation. Immediately, the consultation should start. Thereafter, if there is an understanding between the Government and the leaders of the Opposition, it could be brought forward. At the same time, you should not say that it does not mean that you would concede something. This kind of a thing should not be said. Everybody should sit together and discuss it with an open mind and try to help the Government for projecting a correct image of the country in the international community.

...all of you would be this. Kindly do not raise all kinds of issues at this stage. Let us discuss it and if there is any point on which some information is required, the Government would be very happy to supply that information. At the same time, we are also equally interested in getting the co-operation of the opposition in getting this Bill passed.

THE DEPUTY CHAIRMAN: The matter is over.

SHRI G. G. SWELL (Meghalaya): Madam, I want to say something. (*Interruptions*)

THE DEPUTY CHAIRMAN: That matter is over. We will not be taking up the Patents (Amendment) Bill, 1995, as agreed to by the Opposition and the Government. Whenever the Government brings it up and there is an agreement, we will take it up. Now we will take up Papers Laid on the Table of the House.

SHRI ASHOK MITRA (West Bengal): Madam, I just want to say... (*Interruptions*) The Minister talked about our image in the international community. In fact, if this Bill is passed, it would lower our dignity.

THE DEPUTY CHAIRMAN: Papers to be laid on the Table of the House. (*Interruptions*)

SHRI MD. SALIM (West Bengal): Madam, I have to raise a point on the List for Business.

THE DEPUTY CHAIRMAN: You can do it after the Papers have been laid.

PAPERS LAID ON THE TABLE

I. Reports and Accounts (1993-94) of various Corporations and related papers

II. Reports and Accounts (1993-94) of various Scientific institutions and related papers
