Yesterday we were going to take up the Criminal Law Amendment Bill at 12 o'clock and you had said, if further discussion and voting on the Criminal Law Amendment Bill is going to come at 12 o'clock, then you will defer your calling attention for another day—tomorrow or Monday, whichever is convenient. But I have been informed by the Parliamentary Affairs Ministry that today it is not coming before the House. But there is another technical problem. The other technical problem is that yesterday I announced and you were not in the House... *(Interruptions)* May I have some silence in the House, please? There is another problem, that we have the Finance Bill, which was reported yesterday, to clear because the hon. President is leaving and it has to be passed by our House and reported to the Lok Sabha to be sent to the President for his signature. Now, we have to do it today. *(Interruptions)*

Now, I want the permission of the House and your suggestions. Yesterday we passed the Appropriation Bill. As it was decided that there would be no discussion, we passed the Appropriation Bill 'late in the evening as the last business and sent it to the Lok Sabha. Now, this is our difficulty.

So, I need your support.

The Government has no business to take the House for granted. It is that attitude of the Government which we are objecting to. We are not getting any reply... (Interruptions)....

THE DEPUTY CHAIRMAN: The reply is coming. Let us listen to the reply first, please.

SHRI VIDYACHARAN SHUKLA: Madam, according to the wishes of the Opposition leaders, we have been discussing the matter with them. There should be no objection from the Leader of the Opposition for evolving a consensus on this issue which has raised a lot of controversy in the country. Now, to say that we should do it within a time limit, when consensus has not been reached, it is rather unfair because the Opposition leaders themselves raised new points during the discussion. We have to ponder over them and we have to come up with solutions to all those points. Therefore, against our own anticipation, we have taken more time. We did not want to take all these three days. We wanted to pass it on the first day itself. On the request made by the leaders of the Opposition, we agreed for consultations. We have been calling them one after the other. Consultations are going on. Even today, from 9.30' onwards until about 11.15 or 11.30, we have been doing this. It appears that some more consultations would be necessary. We do not want to scuttle the matter. We do want to pass this during this Session. Therefore we are having consultations everyday, morning, evening and afternoon.

I would like to assure our friends sitting opposite that we will not bring it forward here without informing them properly and talking to them in full long with about the which matter. Certainly,

we want to bring it forward. We do not want to have a vacuum created in the country. That is our intention. Madam, I request you ... (Interruptions)... to agree to take up the listed Business.

SHRI G. SWAMINATHAN (Tamil Nadu): Madam, we will be very happy to have a consensus of all the parties so that you can decide on the matter and bring in the Bill. But the point is this: Suppose every party has got a position and you are not able to get the consensus of the other parties. Then have you the majority to pass the Bill? Are you going to bring in the Bill and pass it in spite of the consultations or not? This is a matter which we want to know. If a consensus is not arrived at will you drop the Bill or defer the Bill? Are you going to get it passed. You have the majority to pass the Bill? When there has been a contention on such Bills, you have been taking the Bills and passing them in spite of the views of the Opposition parties. Every Opposition party has got a view. Then why can't you take the Bill and pass it? Then, why are you delaying the passing of the Bill for three days? That is what we want to know. We want to know your intention about this matter. *(Interruptions)* No, no one minute. Let him reply to this point.

SHRI CHATURANAN MISHRA (Bihar): What the hon. Member Shri Swaminathan has said is, "All right. Have consensus or no consensus. But when we have a majority we will rush it through." Then, what is the use of having consultations? I understand what the Leader of the Opposition has said; all these things should have been done earlier. I appreciate it, I find it reasonable. With an unreasonable Government you cannot expect it. When you have taken a reasonable stand that more consultations should be done, I and my party, we are in favour of it. It is a welcome step. This is a serious thing. We are attending to it seriously, and everyday meetings are taking place. I think Opposition party leaders will also contribute. Let us have a legislation which works well, not like TADA. It becomes something which people hate.

DR. BIPLAB DASGUPTA (West Bengal): Madam, I fully support what my colleague has just said that certainly there is need for consultation, there is nothing wrong with consultations, and nothing should be pushed through with the majority. The Government had sufficient time for the passing of the Bill—three weeks. Regular consultations were not undertaken. But now I am suggesting that there is a proposal before the House that the matter should be referred to a Select Committee and the Select Committee can be given *...(Interruptions)...* Just let me finish. You may not agree with me, but let me put forth my views. The Select Committee *...(Interruptions)...* What I am saying is, that can be done. But, in the meantime, I suggest that this Calling Attention Motion should be taken up, after that the Finance Bill and then in the Business Advisory Committee further decisions may be taken.

SHRI S. JAIPAL REDDY: Madam, I have to state, on behalf of my party, that I do not agree with the Leader of the Opposition or with the Parliamentary Affairs Minister that there would be a vacuum if an alternative piece of legislation is not enacted. There are sufficient laws to deal with *...(Interruptions)* I am stating my viewpoint. *(Interruptions)* I would say, basically, there are laws to deal with every kind of situation. *(Interruptions)* There are many other laws. Yesterday also, we did a very wrong thing by passing the Appropriation Bill. Anyway, yesterday there was a question. I can understand it. SHRI SIKANDAR BAKHT: They are taking the House for granted. *(Interruptions)*

We are walking out in protest.

(At this stage, some hon. Members left the Chamber.)

SHRI ASHOK MITRA (West Bengal): I am on a point of order.

THE DEPUTY CHAIRMAN: I heard Mr. Mehta's point of order. I want to answer him. Mr. Ashok Mitra, let me handle one person at a time. I cannot answer you together. Sit down, Please. Take your seat. Please take your seat. Take your seat.

SHRI ASHOK MITRA: I will take my seat, but still, I have my point of order. *...(Interruptions)*

THE DEPUTY CHAIRMAN: Mehtaji, you are a Member of this House. I do know for how many years. This House has never done any impropriety before. There is an unusual situation which I referred to. If you happened to be listening to me. *...(Interruptions)*

It has not been done by us. We have not created that situation. Neither Rajya Sabha nor the Chairman nor the Deputy Chairman has created it. The situation is because of what happened. The Budget was delayed, I repeated it yesterday, due to the election which was delayed* and the whole Budget Discussion is being fractured into pieces and bits, and what happened subsequently in the rest of the country.

SHRI CHIMANBHAI MEHTA: That is my complaint.

THE DEPUTY CHAIRMAN: Then don't start putting the blame on anybody. Everybody, all of us have to take the responsibility.

SHRI CHIMANBHAI MEHTA: I am not blaming you.

THE DEPUTY CHAIRMAN: Then you sit down. You don't get up unnecessarily, I expect co-operation from the senior person like you.

SHRI CHIMANBHAI MEHTA: You are unnecessarily blaming me that I have blamed you. This is not fair *...(Interruptions)*

श्री भूपेन्द्र सिंह मान (नाम निर्देशित): मैडम, यह लोग क्रिमिनल अमेंडमेंट बिल को एक तरफ रख रहे हैं और दूसरी तरफ टाडा खत्म हो गया है। इस सरकार चाहती है जल्दी-जल्दी ...**(व्यवधान)**... इसको पास किया जाए। ...**(व्यवधान)**...

SHRI S. JAIPAL REDDY: Madam, You have given a ruling on the point of order. Please protect me. There is my Calling Attention. *...(Interruptions)*

SHRI V. NARAYANASAMY (Pondicherry): The Opposition is not united in its demands. They are saying that the Government is not taking up the Calling Attention. What kind of attitude do they have?

श्री भूपेन्द्र सिंह मान: मैडम, सरकार इतने दिनों से डिले कर रही है। एक तरफ पीछे मंगलवार को टाडा खत्म हो गया है और दूसरी तरफ सरकार जानबूझकर डिले कर रही है।

उपसभापति: अच्छा, अब आप बैठिए।

श्री भूपेन्द्र सिंह: मैडम, हर रोज यह कहकर जानबूझकर सरकार डिले कर रही है। यह ठीक नहीं है। मैं चाहूंगा, जो जयपाल रेड्डी साहब ने कहा है, वह बिल्कुल ठीक बात है और इस पर अमल होना चाहिए। इस बिल को लाकर वोटिंग होना चाहिए।

उपसभापति: बैठ जाइए, मान साहब।

श्री भूपेन्द्र सिंह मान: मैडम, एक तरफ टाडा में लोग मर रहे हैं ...**(व्यवधान)**...

THE DEPUTY CHAIRMAN: We are not taking up the TADA now. The TADA has lapsed. आप बैठिए।

श्री भूपेन्द्र सिंह मान: टाडा के संबंध में सरकार क्या कर रही है?

उपसभापति: अभी आप बैठिए। अभी टाढ़ा डिसक्वा नहीं हो रहा है। ...*(व्यवधान)*...

SHRI ASHOK MITRA: Madam, my conscience does not allow me to sit down.

Madam, you snubbed me yesterday, and it is always a pleasure to be snubbed by you.

THE DEPUTY CHAIRMAN: I did not. Do you want me to give the pleasure again?

SHRI ASHOK MITRA: Definitely.
...*(Interruptions)*

THE DEPUTY CHAIRMAN: I can oblige you ...*(Interruptions)*

I can give you at any time you want it.

SHRI ASHOK MITRA: But, I think, this is a very serious Constitutional issue. The Government has made a mess of its affairs, but, that does not imply that we should make an ass of the Constitution.

Yesterday, I went back and reread the Constitution. The Constitution specifically says that the Finance Bill must precede the Appropriation Bill. It also says that the Discussion on the General Budget must precede the presentation of the Finance Bill. Therefore, I am worried. Madam, we today flout the Constitutional process. Suppose there is a smart lawyer who runs to the Supreme Court and the Supreme Court gives a judgment that the entire Budgetary process that we are trying to complete is improper. Where are we then?

THE DEPUTY CHAIRMAN: I think you are giving an idea that somebody should go to the Court, maybe tomorrow....

SHRI ASHOK MITRA: No. But why can't we have the views of the Attorney-General whether we can do what we are doing? Because, in the rush of things you may offer today a verdict that all of us may rule in the future I, therefore, once more appeal to you to reconsider it.

THE DEPUTY CHAIRMAN: Mr. Ashok Mitra, yesterday I explained it to you and to Mr. Mehta.

SHRI CHIMANBHAI MEHTA: Yesterday I did not raise the issue.

THE DEPUTY CHAIRMAN: You were there. Physically you were present, mentally you might not be there. But, you were there, because I roistered your presence. I explained to you as to what the difficulty was you repeatedly walked out of the House. The Finance Minister was sitting here. If it was an impropriety on the part of the House, he would have raised it yesterday. He did not. In fact, he requested me to take up the Appropriation Bill. That is the reason I personally think why we should block the money, which would be needed by the people, not the Government. The Government takes money for the people of this country, not for them. You should understand that.

Yesterday the entire Left Front was accusing that the money is not being granted to some public sector undertakings. And considering that the people should not suffer, I went out of my way. I was requesting that it should be taken up today along with the Finance Bill, but it was insisted upon that I should take it up yesterday and I did it. I never do improper things. Please do not tell...

SHRI ASHOK MITRA: Nobody is making a complaint against you. My complaint is that the Government is doing improper things. *(Interruptions)* Why should we collude with the Government?
(Interruptions)

THE DEPUTY CHAIRMAN: The Rules and the Constitution say that the Members should listen to the Deputy Chairman. Please follow that.

SHRI G. SWAMINATHAN: Only one minute. The point of order raised by Mr. Ashok Mitra needs to be answered. He says there is an impropriety and somebody may go to the court tomorrow and challenge the very Act having been passed in the Parliament. Therefore, it is a very serious thing. My personal view is that the House has got a right to proceed with its own business. I do not think the court can intervene in our affairs.

SHRI S. JAIPAL REDDY: Madam, should I proceed with my business.

THE DEPUTY CHAIRMAN: Yes. Let us not go with the far-fetched ideas.

श्री चतुरानन मिश्र: मैडम, एक रिक्वेस्ट है कि यह भी रूलिंग आप दे दीजिए कि प्वाइंट आफ ऑर्डर ज्यादा टाइम लेगा या प्वाइंट आफ डिस-ऑर्डर ज्यादा टाइम लेगा?

उपसभापति: मिश्र जी, यह तो आप लोगों के सोचने की बात है, चेयर के सोचने की बात नहीं है, डिस-ऑर्डर चेयर तो क्रिएट नहीं करती है न। बोलिए मंत्री जी।

**CALLING ATTENTION TO A MATTER
OF URGENT PUBLIC IMPORTANCE
Regarding import of unprecedented
quantity of urea by M.M.T.C. during
1994-95**

SHRI S. JAIPAL REDDY (Andhra Pradesh): Madam Deputy Chairman, I call the attention of the Minister of Commerce to the import of unprecedented quantity of Urea by the MMTC during 1994-95.

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI P. CHIDAMBARAM): Madam, before I make my statement...

SHRI S. JAIPAL REDDY: Copies.

THE DEPUTY CHAIRMAN: In the disorder, the copies were lost. Just one minute. We have lost a lot of time. I request the House that we dispense with the lunch hour and sit through the lunch hour.

SOME HON. MEMBERS: Yes.

SHRI P. CHIDAMBARAM: Madam, before I make my statement, I would like to say that I am grateful to Mr. Jaipal Reddy for calling my attention to this matter. I am also grateful to both Mr. Jaipal Reddy and you, Madam, for dropping the words "questionable methods" which was there in the original notice. But as the motion has been admitted, I assume that there is no such allegation.

SHRI S. JAIPAL REDDY: Kindly call the House to order.

THE DEPUTY CHAIRMAN: Who is in disorder?

SHRI P. CHIDAMBARAM: Madam Deputy Chairman, in February 1994, the Government of India authorised MMTC to import 15 lakh MT Urea by the end of September 1994. In August 1994, this authorisation was increased to 27.5 lakh MT for import in the fiscal year 1994-95. It was decided in October 1994 by Government of India that two other PSUs namely NFL and PPCL would also be authorised to import 3 lakh MTs of Urea by December 1994. The time period within which they could execute the imports was subsequently extended to March 1995. These two organisations did not succeed in bringing any quantity of Urea within the authorised time. MMTC was asked in February 1995 to make best efforts to import an additional 2.5 lakh MTs over and above 27.5 lakh MTs authorised earlier for arrival by the end of 31st March 1995. As against this overall target of 30 lakh MTs, MMTC successfully landed 28.81 lakh MTs by the 31st March 1995.

2. MMTC has effectively functioned as a canalising agency for fertilisers which need to be imported on Government account in the past also. In the present case, MMTC has executed Urea imports in 1994-95 within the quantity authorised by the Government of India. MMTC was able to make available the required quantity of urea needed for agricultural operations in the country.

MMTC did not use questionable methods to import urea. MMTC's procedures were transparent, equitable and fair and were in line with international practice. The procedures adopted were as follows:—

MMTC normally contracts for Urea through global tender/enquiry. Bidders are required to submit a bid bond US\$ 1 per tonne for the quantity offered. Offers
