

(c) in how many instalments, this price will be realised; and

(d) whether Government propose to ask the DDA to formulate schemes for the LIGs?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (SHRI P.K. THUNGON): (a) DDA has reported that the present approximate cost of flats is as under:

Janta	—Rs. 1.53 lacs
LIG (Multi-storeyed)	—Rs. 3.00 to 3.50 lacs
MIG (Multi-storeyed)	—Rs. 5.50 to 6.00 lacs

Expandable houses are in the range of:

Type A —	Rs. 1.90. to 3.76 lacs
Type B —	Rs. 4.32 to 5.21 lacs

(b) No such study survey has been conducted by DDA. However, the costing of DDA flats is done on the principle of 'No Profit No Loss'. DDA has adopted the following measures in working out the cost of flats so as to make them more affordable:—

(i) Liability on account of land component of Janta and Lower Income Group flats is brought down through cross-subsidisation.

(ii) Overheads charges are computed at a lower rates for Janta flats.

(c) In case of allotment of hire purchase basis the allottee is required to deposit initially the cost of land plus 30% of cost of construction. The balance amount is recovered as under:

Janta : 180 monthly equated instalments.
LIG : 144 monthly equated instalments.
MIG: 120 monthly equated instalments.

For Expandable Housing Scheme, payment is to be realised in six quarterly instalments.

(d) Considering the present backlog of 25782 registrants under the LIG category as on 31.3.1995, no new scheme for this category is proposed to be launched at present.
