

House that the strike by the Postal employees and ED Agents stands Withdrawn with effect from 5.00 P.M. of 10 December 1993. Having regard to the Honourable Members' concern expressed in this House, I had personally appealed to them to call off the agitation.

The strike has been called off without preconditions and the various pending demands of the Unions will be discussed with them. The package of benefits agreed to before the commencement of the strike will be given to them and orders will be issued immediately. Such of the demands as would be beyond the competence of my Ministry would be recommended for sympathetic consideration in the concerned Ministries at an early date.

I have agreed to increase the interim relief from Rs. 35 per month announced earlier to Rs. 50 per month to every ED Agent. Furthermore, a few benefits have been slightly expanded to reflect the wishes of the employees better.

I would like to assure the Honourable Members *seed* this citizens of this country through this House, that our efforts to give better postal services as well as to grant the justified demands of our employees will continue. I am sure that the entire Postal fraternity will make sincere efforts to restore normalcy and maintain the high standards of postal services as & they have been rendering in the past.

THE VICE-CHAIRMAN (SYED SIBTEY RAZI): The clarifications, if any, on this statement would be taken up on some other day;
