(b) if so, the details thereof; and

(c) how far these have helped in facilitating industrial, growth specially in backward States?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) to (c) Yee, Sir. Subsequent to the announcement of new Industrial Policy on 24th July, 1991 most of the States have already taken steps by way of formulating their respective policies on grant of ineentivesjcon-cessions for facilitating setting up of

industrial units in the States within the New Industrial Policy. As a result, a total of 16,540 Industrial Entrepreneur Memoranda (IEM) have been filed by the entrepreneurs envisaging investment of Rs. 3,33,475 crores during August 1991 to November 1994. Out of this 6264 number of IEMs have been filed backward areas envisaging an investment of Rs. 1,44,602 crores.

State profitability of PSUs

1426; I.M.; B. DUTTA- Will the PRIME MINISTER be pleased to state;

(a) whether it is a fact that the profitability of PSUs in terms of ratio of gross margin and gross profit to capital employed have not improved over the last ten years;

(b) if so, the details thereof; and

(c) the steps taken to improve the situation?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) and (b) Yes, Sir. However, in absolute terms the net profit of Central PSUs has increased substantially during last ten years, i.e. from Rs. 241 crores in 1983-84 to Rs. 33.96 crores in 1992-93. The details of gross margin, gross profit and their ratios to capital employed are given at pages 18 and 19 of volume-I of P.E. Survey laid in the Parliament on 23.2.1994.

(c) Steps taken to improve the performance of PSUs are given at page 123 in the same volume.

Performance of capital goods industries

142. DR. B. B. DUTTA: Will the PRIME MINISTER be pleased to state:

(a) the growth in Industrial Sector during the last three years;

(to) what has been the contribution made by the capital goods industries during these years;

(c) what are the reasons for low performance of capital goods industries; and

(3) the steps taken by Government to accelerate industrial production, especially capital goods industries?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) and (b) As per the data available from CSO industrial sector recorded a growth rate of 0.1 per cent, 2.3 per cent and 3.1 per cent in 1991-92, 1992-93 and 1993-94 respectively. The growth rates for the capital goods industries were (—) 0.1 per cent and (—) 5.1 per cent.

(c) and (d) Low growth during last three years was caused by high import prices, devaluation, high interest rates and credit restrictions etc. Government have gradually removed these constraints. In addition, 1994-95 Budget has extended the MODVAT to capital goods industries and imposed countervailing duty on imports of domestic industry. As a result, the capital goods industries have recorded a high growth rate of 13.8 per cent during April-July, 1994-95; as against an overall industrial growth of 7.9 per cent in the same period.
