173. SHRI SANTOSH KUMAR SAHU: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state :

(a) whether it is a fact that double shift system of Secondary/Senior Secondary education in Delhi is not proving to be useful for academic brilliance and either forcing parents of the affordable communities to rush towards private/public schools and discourage poor families to send their wards to school in odd hours resulting thereby in increasing crime like eve-teasing etc.;

(b) whether co-education system in certain Delhi Government schools is prevailing and proving fruitful ;

(c) what are the details of Government's plan to unite the existing double shift Government schools into Co-educational schools in Delhi where sufficient accommodation is available ; and

f,d) if the answer to part (b) above be in the negative, the reasons therefor ?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE

DEVELOPMENT (DEPTT. OF EDUCATION AND DEPTT. OF CULTURE) (KUMARI SELJA) : (a) No, Sir.

(b) to (d) According to information furnished by Delhi Administration, the preference is for Co-educational single shift school. However, due to limitation of space, resource constraints, increasing student population and other factors, it is not feasible to give-up the double shift system. The double shift system has not by itself adversely affected the academic performance of such schools nor has it resulted in eve-teasing etc.
