#### RE, INDO RUSSIAN CRYOGENIC ROCKET CONTRACT

SHRI YASHWANT SINHA (Bihar): Madam Deputy Chairman, I wish to draw the attention of this House and the Government, through you, to an announcement of the Russian Foreign Ministry that the Indo-Russian Cryogenic rocket contract stands fully suspended now. Whatever doubt there was after the announcement of the Russian Government on the 16th July.

SHRI CHATURANAN MISHRA (Bihar): Suspended or cancelled?

SHRI YASHWANT SINHA: Well, they have used the word "suspended". But in effect "fully suspended" means absolutely cancelled. That is the meaning.

Madam, on the 16th July, the Russians had indicated that they were not going ahead with this deal. The country was given to understand by the Government that engines will be supplied but we will not be able to start production because the technology supply part will not be adhered to. Now the announcement of the Russian Foreign Ministry that this deal stands fully suspended means that not even the rocket engine will be supplied.

Madam Deputy Chairman, now my charge is that the Government has been consistently and repeatedly misleading the Parliament and the people of this country, firstly, "by saying, "The deal is on" or "this part of the deal is on; only a small part of the deal is not on." Secondly, by saying that we are going to develop the indigenous technology with in the shortest possible time, a claim which has also been misled by the recent accident in launching our space vehicle. Now, the point is, we will know that the Russians have been compelled to suspend or cancel.....

THE DEPUTY CHAIRMAN: Mr. Yashwant Sinha, can you be a little brief, please?

SHRI YASHWANT SINHA: Of course, I will try to be as brief as possible. Of course, I am trying to be as brief as possible. This is a matter of national humiliation. Madam Deputy Chairman, will this Parliament not take notice of this fact that under American pressure, under American gangsterism. The Russians have been compelled not to supply to us this technology? (Interruptions).

THE DEPUTY CHAIRMAN: Then I suggest we will have a discussion on this and no special mentions. All right. Go ahead. I will permit everybody. (Interruptions).

SHRI YASHWANT SINHA: Is this the way this Parliament is going to keep quiet on an issue of this importance? I am saying, Madam Deputy Chairman, here and now the whole House should get together to condemn the U.S. attitude in this matter. (Interruptions).

If there is any one here who opposes this and feels that he is not in favour of condemning this attitude of the U.S., let him get up and say so. I am saying, the way in which the U.S. has acted is nothing but international gangsterism. And. that\*

Is the world in which this Finance Minister, Mr. Manmohan Singh, is going to integrate as; that Is the world of which he would want as to be part This is the most shameful, part of it. (Interruptions). Mr. Manmohan Singh, you can reply after I finish.

SHRI YASHWANT SINHA: Madam what are you not permitting? What is this? (Interruptions).

But you were allowed. *(Interruptions)* Just a second That opportunity you are taking to make a comment on the Finance Minister who has nothing to do with that.
