Statement

A budget provision of Rs. 7 crores has been made for the year 1993-94 to meet the committed liabilities in respect of Working Women's Hostels sanctioned upto 31-3-1993 and to provide hostel accommodation to 2,500 additional working women. Location of such hostels depends upon receipt of proposals from eligible organisations including registered Voluntary Organisations, Public Trusts, Women Development Corporations, local bodies etc. duly recommended by the State Government or Union Territory Administration. These proposals are considered on the basis of estimates of number of

single working women requiring hostel facilities at the particular location and suitability of the organisation proposing to set up the hostel. Assistance is approved to the extent of 75% of the cost of the construction of the building and 50% of the cost of land. Assistance on the same pattern is also made available for purchase of ready-built buildings.

The Scheme requires estimates to be prepared on the basis of prevailing PWD/CPWD Schedule of Rates.

State and Union Territory-wise number of Working Women's Hostels with their capacity sanctioned upto 31-3-1993 since the inception of the Scheme in 1972-73 are given below:
