

come back to the House. The recommendations and the action taken may be placed on the Table of House. Apart from the record of the House, they are there, but I shall certainly see which of them have been accepted, which of them are under consideration.

THE DEPUTY CHAIRMAN: You see. . . (Interruptions). . . Order.

SHRI TINDIVANAM O. VENKATRAMAN (Tamil Nadu): Madam, one point only. The Verma Commission Report has been placed on the Table of the House but we have not got a copy of it. We have applied for it but nobody has responded to that. I am very sorry...

THE DEPUTY CHAIRMAN: But the copies are supplied. Only then the House will. . . (Interruptions), . . .

SHRI TINDIVANAM G. VENKATRAMAN: Please supply us a copy.

THE DEPUTY CHAIRMAN: I will find out.-.

SHRI TINDIVANAM G. VENKATRAMAN: This is a most important thing.

THE DEPUTY CHAIRMAN: I will find out. I know that it was tabled.. (Interruptions) Now everybody, all the Members, should get it. All right. It is a very serious matter. Rajiv Gandhi's assassination and also what is happening in the country today, all these bomb blasts in various parts of the country there could be a possibility that there is some nexus among them and to find out what the truth is the Government should take necessary action. Now, that is all. . . (Interruptions). . .

SHRIMATI JAYANTHI NATARAJAN (Tamil Nadu): Madam, I want to speak on another issue.

SHRI SUKOMAL SEN (West Bengal): Madam, I want to know...

THE DEPUTY CHAIRMAN: Other issues are there. Once my observation is made, please take your seat. . . (Interruption) .. . Not on this . . . (Interruption) ...Not on this. Not this. . . (Interruption). . . Not on this issue. It is one and the same thing.

SHRI SUKOMAL SEN: Madam, the Home Minister should tell us whether they have contacted the U.S. Government and what the reaction of the U.S. Government is.

THE DEPUTY CHAIRMAN: That will come together when the Calcutta report will be given. You can then ask the Government because there is no point in raising it now. Nobody can answer just now. Please sit down. . . (Interruptions). . .

SHRIMATI JAYANTHI NATARAJAN: Madam, I want to raise another issue.

THE DEPUTY CHAIRMAN: I will allow you.

DR. JINENDRA KUMAR JAIN Madam, please allow me to raise an issue.

THE DEPUTY CHAIRMAN: No. I

said no. You don't disturb.

#### RE. MOTION OF PRIVILEGE AGAINST DOORDARSHAN

श्रीमती कमला सिन्हा : (बिहार) :  
मैडम, मैं प्रिविलेज का मोशन उठाना चाहती हूँ। एक सदस्य होने के नाते हम लोगों के कुछ प्रिविलेज हैं। कल मैंने यहाँ एक विषय पर सदन की बैठक में भाग लिया था और रात को जब पार्लियामेंट न्यूज आ रहा था तो उस पार्लियामेंट न्यूज में हिंदी में दो दफा मेरा नाम लिया गया। एक दफा तो

कहा गया कमला सिन्हा, जनता दल। दूसरी दफा कहा गया, कमला सिन्हा, जनता पार्टी और अंग्रेजी में जब न्यूज आई तो उसमें कहा गया कि कमला सिन्हा, कांग्रेस (आई) मैडम, इससे कनफ़ुजन होता है... (स्थगधान) यह हंसी की बात नहीं है। यह बहुत सीरियस बात है। मैं दल-बदल नहीं हूँ।

I am not a defector.

मैडम, दूरदर्शन के ऊपर मेरा यह प्रिविलेज मोशन है। दूरदर्शन को कहा जाए कि अगर इस तरह की बात होगी तो—

I will give a privilege notice.

यह बहुत ही गलत बात है।

THE DEPUTY CHAIRMAN: If you are moving a motion of privilege you can give it to the Secretariat and then we will put it before the Chairman and his decision would be final.

SHRIMATI KAMLA SINHA: O.K.. Madam.

(Interruptions).

SHRIMATI TINDIVANAM G. VENKATRAMAN (Tamil Nadu): Madam. I also want to raise an issue regarding Doordarshan. They are not able to correctly pronounce even the names of the parties. 'DMK' they are not able to pronounce.. They say 'Dumka Party'. They should know how to pronounce the names.

श्री मोहम्मद सलीम : (पश्चिमी बंगाल) मैडम, आज सुबह पूरे देश के लोग जब इस बात का इंतजार कर रहे थे कि दूरदर्शन के न्यूज बुलेटिन में क्या आना है क्योंकि कलकत्ता में बम ब्लास्ट हुआ था। भहोदया, यहाँ हम कहते हैं कि हम विदेशी टेलीविजन से कम्प्रीट करेंगे, हमारे यहाँ इतना टेक्नोलॉजिकल डवलपमेंट हुआ है। फिर जब अंग्रेजी न्यूज बुलेटिन 8.15 पर शुरू होता है तो उसमें बताया गया कि कलकत्ता में मिड-नाइट को बम ब्लास्ट हुआ। मैडम, अखबार में लोग खबर पढ़ चुके थे और जानना चाहते थे कि डिटेल्स क्या है? और दूरदर्शन पर कोई विजुअल नहीं है, जबकि कलकत्ता से दिल्ली हमारा सेटलाइट कनेक्शन है और उसके बाद

भी विजुअल प्राप्त नहीं होता। खबर के आखिर में पहुँचते हैं तब कहते हैं कि अभी-अभी हमें विजुअल मिला है और उसका दिखाते हैं जो कि बहुत ही टेक्नीकली खराब था, लेकिन विजुअल दिखाएँ। यह पहली बार ऐसा नहीं है। जबकि सी.एन.एन. ने पूरे देश में दिखा दिया, पूरे विश्व में दिखा दिया एक घंटे के अंदर और हमारे यहाँ छह घंटे आठ घंटे के बाद भी विजुअल प्राप्त नहीं होता है। हम लाखों करोड़ों रुपया खर्च करते हैं, इतना स्टाफ है, यह सब आखिर किस लिए? पूरे देश का इन्फोरमेशन देनी पड़ेगी। मंत्री की सही समय पर रिपोर्ट नहीं मिलती, टेलीविजन को सही समय पर विजुअल नहीं मिलता। आखिर, हम किस अंधेरे में रहते हैं, किस युग में रहते हैं?

SHRI JOHN F. FERNANDES (Goa): Madam.....

THE DEPUTY CHAIRMAN-. What is that? We are not discussing Doordarshan (interruptions).

SHRI JOHN F. FERNANDES: Madam, I made enquiries with the Doordarshan staff and they said that they were not responsible for the mistakes because the news was reported to them by private correspondents. So, I would request the Minister to see that their own correspondents are appointed here and news should not be taken from private correspondents.

THE DEPUTY CHAIRMAN: I will discuss the matter with the Minister and we will see that these mistakes do not labour I will ask the Secretariat to supply the list of the Members of Parliament with their party affiliations to those people who cover the news so that they have the list which they don't have already. They should have that paper to refer to. That matter is covered now. (Interruptions).

SHRI TINDIVANAM G. VENKATRAMAN: Apart from that, one more point is... (Interruptions)...

THE DEPUTY CHAIRMAN: Shrimati Jayanthi Natarajan.

SHRIMATI JAYANTHI NATARA-JAN:  
Madam, the entire House has been agitated over the serious bomb blasts in  
bombay and Calcutta. (*Interruptions*).

श्रीमती कमला सिन्हा : मैडम, जो मेरा नाम इस तरह से, गलत तरीके से, कहा कि कांग्रेस-आई और जनता पार्टी, इसके बारे में आज तो कहिए कि वह खेद प्रकट करें, आज जब न्यूज पढ़ेंगे रात को उसमें खेद प्रकट करें। यह तो आप कहिए।

THE DEPUTY CHAIRMAN: I will find out.

#### RE. DEMAND FOR BAN ON BJP RALLY AT MADRAS

SHRIMATI JAYANTHI NATARAJAN  
(Tamil Nadu): Madam: the entire House has been agitated over the very serious situation prevailing in the country. (*Interruptions*) . .

THE DEPUTY CHAIRMAN: Order, please.

SHRIMATI JAYANTHI NATARAJAN:  
Madam, with all the bomb blasts a serious situation is prevailing in the country and the Members have already spoken about the threat to Delhi. There may be a threat to Delhi. The next city is possibly Madras.. We don't know. So far, there is no threat. Madras is a major metropolitan city. There is going to be a possible threat to Madras also. Obviously the target of all these people is crowded areas where people gather. Unfortunately further attempt has been made to communalise the situation so that there will be riots in the country and we have noted the connection between the Bombay riots and the later bomb blasts'. In that view of the matter the reports appearing in the morning papers that Mr. Advani will be addressing a major public meeting in Madras city cause grave concern to the people of Madras city. (*Interruptions*).  
..

SHRI TINDIVANAM G. VENKAT-  
RAMAN (Tamil Nadu): The meeting should be banned, (*Interruptions*) . .

SHRI MISA R. GANESAN (Tamil Nadu)-  
The BJP (should be banned. (*Interruptions*)  
...

SHRI TINDIVANAM G. VENKAT-  
RAMAN: We must take precautionary measures. What she says is correct. (*Interruptions*). . It is perfectly correct. (*Interruptions*) ...

SHRIMATI JAYANTHI NATARA.  
JAN: It is a serious matter, Madam. If the BJP is allowed to hold a public meeting by the State Government at the Marina grounds—we understand that—the State Government is helping them gather a huge crowd there—this will be a target. We hear reports that the State Government is asking truck operators to bring large crowds. We hear that the poor people of Tamil Nadu, the people of Madras city, will be in great danger and that this will be a prime target. I therefore, feel that it will not be possible to maintain. ... (*Interruptions*)...I think the Home Minister has taken action. The Home Minister has already written to the Chief Minister of Tamil Nadu. ... (*Interruptions*).

श्री विष्णु कान्त शास्त्री : (उत्तर प्रदेश) : मैडम, सूरजकुण्ड में कांग्रेस का जो जलसा हो रहा है, उस पर बहुत बड़ा खतरा है। सूरजकुण्ड पर जरूर बम फट सकता है, जिससे वह जलसा धराशायी हो सकता है, इसलिए मैं आपके माध्यम से यह प्रार्थना कर रहा हूँ कि सूरजकुण्ड में कांग्रेस का जो जलसा होने वाला है उसे स्थगित कर दिया जाए। अगर सूरजकुण्ड में, जहाँ हमारे प्रधान मंत्री रहेंगे और दूसरे मंत्री रहेंगे, वहाँ अगर पाकिस्तान ने बम गिरा दिया तो देश का क्या होगा? इसलिए मैं आपके माध्यम से प्रधानमंत्री से यह प्रार्थना करता हूँ कि सूरजकुण्ड का यह जो अधिवेशन होने वाला है, जलसा होने वाला है, इसको बंद कर दीजिए।  
... (व्यवधान) ...
