THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M. V. CHANDRASHEKHAR MURTHY): (a) to (c) The revenue realisation from taxes depends on a number of factors. Besides the rates of taxation, these factors are such as the quantum of imports, volume of production and clearance of excisable goods, profits in corporate sector and variations in individual incomes. Adverse or negative impact in any of these areas generally results in shortfall of revenue. The extent of shortfall, in the current financial year, if any, can be quantified only after 31-3-1993. However, all possible measures are being taken to maximise revenue collection.
