The State Governments as well as Central Ministries have been requested to make Tribal Sub-Plan and Special Component Plan by earmaking funds out of their Plan in proportion to the population of Scheduled Tribes and Scheduled Castes in the State / Country respectively. Besides, the Ministry of Tribal Affairs and Ministry of Social Justice and Empowerment are providing Special Central Assistance as an additive to the Tribal Sub-Plan and Special Component Plan implemented by the State Government. The Special Central Assistance is provided to the States based on population of the Scheduled Tribes / Scheduled Castes and other factors. Further, as per provision under Article 275 of the Constitution, special grant is provided for welfare of STs / raising level of administration of the Scheduled Areas.
