(a) whether DDA has submitted before the High Court of Delhi that a persons whose annual income ranges between Rs. 7200—18000 shall fall in the MIG category ;

(b) whether this income limit prescribed in 1981 has not till date been revised. if so, the reasons therefor;

(c) whether any anomaly has been created clue to this whereby the persons have perforce been placed in higher income group ; if so, the steps taken to correct the anomaly ; and

(d) whether this anomaly has resulted in members of cooperative group housing societies in Dwarka to pay higher rate of multiplier i.e. 1.5 as against 1.25 for MIG category ; if so, the steps taken to rectify the anomaly and if not, the reasons therefor ?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI P. K. THUNGON) : (a) Yes, Sir.

(b) Yes, Sir. As far as DDA is concerned, the term MIG has been explained in clause 2(h) of DDA Disposal of Developed Nazul Land Rules 1981. This has since not been amended as the need to amend this stipulation did not arise.

(c) and (d) No, Sir. It is clarified that the income criteria was not the sole factor in adopting a multiplier of 1.5 for the Cooperative Group Housing Societies. The members of Cooperative Group Housing Societies were considered at par with the registrants of SFS Schemes since they are entitled to a higher average floor area of flat as compared to the allottees of MIG/LIG flats, and, further because society members mobilise their own funds for construction of flats on the same principle as SFS registrants.

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI P. K. THUNGON) : (a) 1820.

(b) and (c) Out of (a) above, 439 allotments have been made so far based on specific orders of the competent Authority. We have received some requests for early allotments to out-of-turn sanctions.
