SHRI JAGESH DF.SAI (Maharashtra): No. (*Interruptions*)

SHRI RAJESH PILOT: Madam Vice Chairman, Shri Krishan Lai Sharma moved this Bill on 29th April, 1994. While moving the Bill, he mentioned about the problem of influx of foreign nationals into the country. Madam, from the Government side, we have been answering questions on this subject. We have been saying that Government is fully aware of the problem, that we are aware of the complexities and dimensions of the problem and that we have taken all possible steps to check the influx of foreign nationals into the country, particularly, Bangladeshi nationals.

There are two ways in which we can check such influx. One is having the physical barrier to stop the influx of foreign nationals. Then, gearing up the administrative machinery to such a degree that you are able to prevent the entry of these persons, *i.e.* the infiltrators.

In this connection, I would like to draw the attention of the House to the steps, the Government has taken.
