

regarding inadequacy of the grant-in-aid (Rs. 3 lakhs annually) presently being given, or for the increase thereof, has been received from the Central Body i.e., Federation of Film Societies of India. The Standing Committee on Communications while examining the demands for grants of the Ministry of Information & Broadcasting for 1994-95, however, felt that the allocation being made to film societies was inadequate. The seventh report of the Committee, therefore, recommended that the work being done by the film societies should be evaluated afresh and budgetary allocations appropriately enhanced in future. Action has been initiated in this direction.
