NOTE : In respect of column (4), it is clarified that while the National Literacy Mission's preferred target age-group is 15—35, it happens that quite a few district TLCs have been approved for extended aie-groups. The data-base projectiona (as psr the 1991 census) are available only for the illiterate population of 7 years of age and above. This has accordingly been adopted as the base for working out the percentage of target coverage.
