Sick NTC mills in Gujarat

483. SHRI ANANTRAY DEV-SHANKER DAVE : Will the Minister of TEXTILES be pleased to state:

(a) the number of NTC sick textile units in Gujarat due to financial crisis and heavy losses;

(b) whether Government propose to close down these units or implementing worker's cooperative scheme to operate these sick mills;

(c) whether Government have received any proposal from the worker's cooperative to operate these mills to defuse more unemployment; and

(d) whether there is any proposal to introduce golden handshake scheme in NTC units and if so, what is workers/employees' reaction thereto?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI ASHOK GEHLOT): (a) All the 11 running mills of National Textile Corporation in Gujarat are incurring heavy losses.

(b) to (d) Government have approved a Turn Around Strategy would be selective modernisation, financial and managerial restructuring and rationalisation of surplus workforce through the Voluntary Retirement Scheme. Voluntary Retirement Scheme will also be offered to the officers, staff and workers of such chronically sick mills, which have no possibility of viability and which may have to be closed down or merged with adjacent units to ensure viability. Government is prepared to extend full support to any viable proposal for the cooperativisation of NTC mills provided it bears the consent of all parties concerned. However, no concrete proposal in this regard has been received so far. Voluntary Retirement Scheme is already in vogue in NTC. 248 officers/staff and 10,380, workers of NTC availed of Voluntary Retirement Scheme upto 31st October, 1992 as part of the Turn around strategy.
