

THE VICE CHAIRMAN (SHRI HNUMANTHAPPA): It is •tile feeling of the whole House. I hope the Government will take note of it.

LTTE. Activities in Tamil Nadu

SHRI V. RAJAN CHELLAPPA (Tamil Nadu): Hon. Vee-chairman and esteemed Members of this. He-Use, I rise to make Special Mention on the plot to murder Dr. Jayalalitha, Chief Minister of Tamil Nadu. It is a great prilege to address this august House which was addressed by various leaflet* of the nation including Perarigha* Anna and Purat-chi Thalaivi Dr. Jayalalitha. I take this opportunity to exPress my sincere gratitude to my leader Puratchi Thalaivi for providing me a chance to be a Member of this Souse.

No one in India can forget the tragic assassination of late-Shri, Rajivji by the suicide squad of LTTE. The direct and indirect involvement of some of the political parties has resulted in LTTE spreading its' network and terrorist culture throughout Tamil Nadu, culminating in the assassination of late Shri Rajivji.

The political changes in Tamil Nadu after the formation of Government under the leadership of Puratchi Thalaivi Dr. Jayalitha has brought LTTE to run away from the soil of Tamil Nadu. Various bold initiatives were taken by our beloved leader, Puratchi Thalaivi even though she is aware of the threat to her life by LTTE. Since then, there has been a lot of evidence collected by the various intelligence agencies that LTTE" is aiming at the life of our beloved leader.

However, any frustrated organisation such as LTTE does not stop its terrorist activities and has been posing a threat to the life of our beloved leader. On a few earlier occasions the suicide squad was said to have visited Tamil Nadu for; assassinating our hon. Chief Minister, Puratchi Thalaivi.

Another such a frustrated attempt was recently siad to have been made by the LTTE BY *sending* a. sulclde squade comrisihg four members to Tamil Nadu from Singapore, as re-portel by the Malayanam newspaper *Chandrika* and Timil dallies. This suicide squade was said to have visited Tamil Nadu during the historic occasion of the victory cieiejra-tioris of AIADMK at Madurai ok 28th and 29th of June, 1SJ92. The members of the SuiipWequade were also said to have planned a similar huiium bomb for assassinating our beloved leader. It is also reported that the suicide squade could nol succeed in its efforts due to the elaborate, security arrangements and waves of the people present in the Conference. Hence it is a matter of grave concern that LTTE is still able to function in Tamil Nadu even after its ban in Indian by the Central Government

In view of the graveness of the situation, I request that the hon. House the various actions taken on the House the various actions taken on the political parting such as Pattali Mak-kal Katchi (PMK) led by Dr.,Rajn"ar das and Panruti Ramachandran, Dravida Munnetra' Kazhhagam (DMK) and Kamaraj Congress led by. P. Nedumaran and associations in Tamil Nadu which are directly or indirectly supporting the growth of LTTE activities in Tamil Nadu: He should also inform Us the steps proposed to be taken by the Central Government to curtail the growth of the terrorist culture and the additional security arrangements proposed to be provided to our belbved leader, Puratchi Thalaivi Dr. Jayalalitha. Thank you.

LOPMENT (SHRIMATI SHEILA
KAUL): Sir, I beg to move.

"That the Bill further to. amend the Public Premises (Eviction, of Unauthorised Occupants) Act, 1971, be .taken into consideration'

Sir, I rise to move in this August House amendments to the Public Pre-
mises Act, 1971for, consideration, and passing.

The Public Premises. (Eviction of Unauthorised Occupants) Act, 1971 was enacted 4o-provide for the eviction of unauthorised occupants from public premises including the premises of Government companies and those of corporations established toy Central Acts and organisations specified in the Act.

Various State Governments have approached the- Government > of India for bringing their premises situated within Delhi and other Union Territory limits also within the purview of this Act since they have been? finding-it difficult, to, evict unauthorised occupants from their premises. The available legal provisions have been found to be very dilatory and lime-
