There have been violations of the directives of the High Court and the Supreme Court and construction at Ayodhya is going on for the last two weeks. Hon. Home Minister visited the place. Then a subcommittee of officers also visited. The National Integration Council debated the question. I do not know why the Central Government is not taking prompt action. श्री सुफ्ती मोहम्मद सईद : मैं यह कहना चाहता हूं कि राम के नाम पर मंदिर बने, हरेक को खुशी होगी--ग्रयोध्या में बने, लेकिन मंदिर को बनाने के लिए मस्जिद को तोड़ना जरूरी नहीं । स्पेन में मस्जिद-ए-कूर्तवा है, 600 ईसवी में मुसलमानों ने वहां मस्जिद बनाई और श्रीर जो चर्च था उसको पूरा मौजूद रखा । जब किश्चिए-निटी का उस पर हमला हमा तो उन्होंने मस्जिद को रखा और चर्चभी बनादी। पाजभी दोंनो है। वह सबसे ्स्टॉरिकल प्लेस है जहां हजारों ट्रिस्ट कि ग्राज से रेबने की इसते हैं डजार साल पहले किस तरह से चर्च था और उन्होंने कैसे ठीक रखा ग्रांर जो मस्जिद उस वश्त बनी थी, श्राज मौजूद है। ...(व्यवधान) ...दूसरा यह है कि हिन्दुस्तान का कानुन है. अगर म्राज माप नहीं मानेंगे तो दुसरा कहेगा कि मेरी अकीदत का सवाल है, मेरे भगवान का सवाल है, में संविधान को नहीं मानता । यह बड़ा बंटेजियस है। यु०पी० के चीफ मिनिस्टर हैं कि हम कोर्ट के प्रादेश का पालन करेंगे, लेकिन क्या पालन हो रहा है वहां ? कैसे श्रापने जमीन को वहां

एक्बायर किया ? कैसे एक्बयार करके कह दिया कि हम ट्रिस्ट परपजीज के लिए इस्तेमाल करते हैं ?

उपसभापति : मृक्ती साहब, जरा संक्षेप में बोलिए ।

श्री मुफ्ती मोहम्मद सईद : मैं यह कहना चाहता हूं कि जो भी हालात मुक्क में पैदा होंगे, उसके लिए केंद्रीय सरकार जिम्मेदार होगी । यह ड्रिपट में है, यह कोई एक्शन नहीं लेती है । किस तरह से सिचुएशन को कंट्रोल किया जाएगा ? दे हेव टू एक्ट । श्रगर वे एक्ट नहीं करते हैं तो रोज ब-रोज और हालत बिगड़ जाएगी श्रौर देश का माहौल खराब होगा ।

THE DEPUTY CHAIRMAN: Now. Mr. Ram Naresh Yadav.

SHRI DIPEN GHOSH: Madam, I want to make a submission.

THE DEPUTY CHAIRMAN: I will permit you. But, before that, I will allow Mr. Ram Naresh Yadav. Yes, Mr. Ram Naresh Yadav.

बादव जी, इस मसले पर इस हाजस में बहुत बहुम हो चुकी है श्रीर कोई नई बात श्रापको कहनी है तो स्राप उसे कह कर जल्दी खुत्म करें ताकि मुम्हेर के उपर हिस्कशन हो सके ।

SHRI DIPEN GHOSH: Madam, I will speak only for two minutes.

Madam, you are aware of my Party's position that this Mandir-Masjid controversy has to be settled through negotiations amicably. Pending that, the Court orders are to be obeyed and till the final orders are given by the Court, we have to abide by what the judiciary has ordered. This is the Rule of Law. With regard to the Shah Bano case,... (Interruptions)...' when the then ruling party had brought forward a Bill to circumvent the' Supreme Court order on this

we oppose that tooth and nail because we knew that if we were to go by the Constitution, if we were to go bythe Parliament and if we were to go by the judiciary, we must abide by the verdict of the judiciary and that is the Rule of Law. Here, in this case, whether the Temple will be constructed or the Masiid will be demolished, I am not going into that question how. In this case, the Lucknow Bench of the Allahabad High Court has given an iterim stay. It said that pending final disposal of the case, all construction work has to be stopped. This judicial order has to be enforced by the Goevmment which has been elected by the people and has taken oath under the Constitution.

in Ayodhya

I am riot permitting you to go down into the history. We have no time. We have got calling attention motion before us and we have to go ahead with that, and if Members are not interested to discuss...

### SHRI SIKANDER BAKHT; Madam. ..

THE DEPUTY CHAIRMAN: being the Leader of the Opposition are disturbing me. I am very 'sorry, Mr. Sikander Bakht, that while I am spea king, you are interrupting me also. Now I have identified Mr. Salve. I want to finish it and you want to de lay it.

SHRI N. K. P. SALVE: I will be very brief, Madam. Let our posi tion and the position of my party be clear.

Madam, we have always held that communal riots whenever they occur are a disgrace are dishonour to the

entire Indian community, to Mother India, to the Indian nation as such, whether they are in Malegaon, whether they are in Kerala or whether they took place when the Rath Yatra was going to Avodhva. We were equally disturbed. They ware a matter of shame and disgrace to us then as much asthey are a matter of shame and disgrace to us today. So, so far as the communal riots are concerned, for God's sake, don't try to take a partisan view; don't allow com-munalism to descend to a level where over this we start fighting and the 'blood of the people, innocent people, innocent men, women and children, in the name of religion is shed, and we try to make political capital out of it. That is the most unfortunate thing that could ever happen in any country-

point The is, we also want an amicable settlement of the mat Ayodhya. We ter in want things to happen as they are. The Supreme Court and the High Courts are seized of the matter. They have given certain decision. It is for the U.P. Government, it is its bounden responsibility—I am sure nobody the BJP would ever get up and say that it is not the bounden duty, the sacred duty, the inalienable duty of the State Government-to im plement the order of its own I am sure you will also not dispute the fact that they have not been able to do so They have not.... (Interruptions). Listen to me; I do not indulge in rabble-rousing at all: I am saying something which I feel honestly would find a solution to the problem and this bickering end there and here once and for all. How much time is being wasted? I want to submit that if that be the position that the State Government is obliged, totally obliged, o-oliged under the law and obliged under the Constitution, to implement the and the directives of its own High Court, has not the U.P. Government failed? They may have tried. I don t say for a moment that they have not

K. [Shri N, P. Salve] tried. ...(Interruptions). Listen to me, Dr. Jain. I am speaking on a subject I know about. So don't interrupt me. Did I interrupt you or did I interrupt anybody? Please extend that courtesy to me. So, Madam, maybe, they have tried their very best but they have failed. That is the reality. And they are bound to fail because if you build up a Frankenstein, having built it up, it will never remain under your control. Kindly remember this. It is true for you as much as it is true for anyone of us A wrong direction will never take you to the right end. That is what is happening today in Ayodhya. I do feel anguished that the Central Government has not acted as much as we expected... (Interruptions)

THE DEPUTY CHAIRMAN: I am telling you, interruptions will not go on record.

SHRI N. K. P. SALVE: I do feel, if this is what is happening, is it not the duty of the Central Government to he of help to the State Government to see that the orders of the High Court are implemented? I do myself feel that this is not an issue which will, perhaps, be settled by a court of law, neither by the Allahabad High Court, nor by the Lucknow Bench of the Allahabad High Court nor by the Supreme Court. People nrist sit. There must be a meeting of the hearts and minds before this will oome to an end. But before this cotie-? to an end, is it fair and just that you go and give a burial, in the name of mandir. Ram Mandir, to the Constitution of India? Where will it land us ultimately?

Mr.dam, I am equally distressed over breaking of mosque, as much as I am over breaking of mandir. as much as I am over breaking of church They are all our sacred pleaces. We have lived together. We want. to live together. That is what if the mandate of the Constitution. which is being outraged, which is being violated.

Therefore, I call upon the hon. Home Minister Kindly find a way out. Dismissal, in my opinion, of the U.P. Government, will be a very inapt thing. After -; he dismissal, where will we go? Communal politics is so much rampant in the name of Ram that they are 119 in number now. They were only 2 in the Lok Sabha, in 1984 It is the miracle of the name of Maryada Purushotham Ram that they are 119 now. For God's sake, do not repeat the same mistake again which we committed in the past. Getting rid of the U.P. Government would be a very grave error. We want extirapation, total extirapation, of the politics of communalism.

Let there be no politics in the name of mandir, masjid, church, gurudwara. That has been the bane and the curse of the country. Therefore, Madam. I request, through you, the hon. Home Minister. Kindly find a way out. The mandir has to be constructed in Avodhya. If the mandir is not constructed in Ayodhya, where are we going to have the Ram Mandir? I honestly feel. There is nothing wrong in constructing a temple there, as Mr. Mufti Mohd. Sayeed has said. On one limited point, I agree with him. It is not necessary that the beautiful structure which exists there, where people go with so much faith, where people go with sacred feelings, should be tampered with Please do not demolish that beautiful construe. tion which exists there. It is an article of our faith. Kindly do not demolish that. Kindly do not tamper with it in any manner whatsoever. If you do that, you will be demolishing the Indian Constitution. You will be demolishing India's faith in secularism If the pillar of secularism collapses, the whole: Constitution will collapse. Thr entire nation will collapse. I do not know what it will be. Anarchy followed by chaos will come

about. Therefore, please take steps to construct the tempe in a manner that you do not tinker or tamper, in any manner whatsoever, with the

beautiful construction that exists there and where people go with so much faith.

I do not, for a moment, subscribe to the view of invoking article 356. Please do not do that. Where will we go? If We dismiss the Govern ment today, after six months, again, in the name of Ram, they will corne back with the same majority. We d<sub>0</sub> want that to happen. We do not want you to win elections in the name of Ram, as much as we do not want anyone to win elections in the name of any other religion. We want you to win elections on your own merits, which are, of course, very little. Your only merit, unfortunately, id playing communal politics. We want the total extermination, extermination, lock, stock and barrel, of com munal politics. This is what should be done. Let us not get rid of the U.P. Government. Let us get rid of the problem, construct a beautiful Ram Mandir there, adjoining the structure which exists there. This is all I say. Thank you very much, Madam.

SHRI P. UPENDRA (Andhra Pradesh) . Only three points I want to make. It is very sad and shocking that my friends from the BJP, who are main opposition in both the Houses of Parliament, are only flouting the rule of law and also flouting the Constitution. That is a very unfortunate thing. They had given an assurance in the National Integration Shri Murli Manohar Joshi, Shri Council: Advani and the Chief Minister of U.P. had unanimously said that they would a'oide by the rule of law and implement the court's verdict. I was also present in the NIC. But on the very next day the President of the BJP went to that place and addressed the kar sevaks, asserted that nobody could stop the construction work of the temple. (Interrup-

SHRI P. UPENDRA; This is very unfortunate. Madam, they are caring for the feelings expressed in the Parliament. They do not want to care for the press opinion. They do not want to care for the opinion expressed in the NIC. Now they do not want to honour the court's ver. diet also. In view of this, I do not know where they want to take the country to. It is time for them to answer two questions. Firstly, people are still congregating there. From 3,000 the number has gone up to 50,000. What steps has the Government take to impress upon the U.P. State Government to stop this congre\_gation of people from different districts, from adjoining areas of the State, because later on it will be difficult. control such a huge crowd? The second thing is that the D.M. himself has expressed his helplessness. He has saidl how and to whom he should serve the notices; he could not do anything in the matter. The Centre has also offered to send the Central force, but they cannot be sent without the consent of the State Government. In view of the helplessness expressed by the D.M. that he rannot do anything, is the Centre impressing upon the State Govern-. inent to accept the Central force?

SHRI P. SHIV SHANKER: In view of what the Leader of the Opposition has observed, I leave the matter there. What is most anguishing and agonising today is that the Constitution seems to be at the cross-roads. I am not going into the question of the construction at all, but we should not forget that this House, the Central Government and the State Government, everyone is the creation of the Constitution; and all of us, who are sitting here, have sworn, in the name of the Constitution. Therefore, what disturbs us today is that the communal coherence, which as policy parameter is the mandate of the Constitution seems to be getting disturbed. While all of. us sitting here swear that there should be communal harmony, why that communal harmony does not prevail in the country? There is something wrong. I would attribute that to the lack of sincerity amongst all of us, whether left, right, centre or whatever it is. If we were really, sincere, if we were really committed to the concept of communal harmony, I confident the communal harmony would not have been disturbed. After all, behind every communal disharmony, ther is some leadership which has

been creating problems in the country. the last 40 years and more. If we are not sincere and committed, I am sure this will continue in future also. But what is worse is, under the constitutional scheme today there is a judicial system. An order has been passed by the judiciary. I would not say that the Chief Minister of Uttar Pradesh is not sincere in implementing the Order. He has evolv. ed a strategy, the strategy of directing the authorities at Ayodhya so that the matter could be resolved by discussion with the concerned people who are going ahead with the construction. This strategy of the Chief Minister has not been successful so far and because of the unsuccessful-ness of this strategy, the very Constitutional scheme is in jeopardy. What is v/orse, in my view, is the embarrassment that has been caused to the sincere effort of the Chief Minister by the statement of the leader of the BJP. It has caused a serious embarrassment to the Chief Minister. His own party leader going and saying on the spot that no power on the earth can stop the construction creates a tremendous embarrassment to the Constitutional authority of the Chief Minister and his own Government. This is where he has been embarrassed. This dichotomy has to be resolved. I do not know how the BJP itself is going to resolve this dichotomy But what is most important is that the Central Government had ben advising the State Government that they should implement the orders of the High Court. The State Government has gone ahead with it. They had a strategy which has failed. I would like to know from the Central Government, if they have suggested certain other strategies also to the State Government. The Central Government is advising the State Government that they should implement the court orders. If the State Government is failing to implement it, if their strategy is failing, then, there could be different alternatives. Perhaps. Government and State the

central Government could have evolved different alternatives. For example, from 3000 people, about 50,000 people have collected there. Perhaps what could have been done is that such people who are coming to Ayodhya could have been stopped at the outskirts itself. It was one of the ways by which we could have stopped this confusion. I am not sure as to what step<sub>B</sub> the Central Government has suggested to the State Government for the purpose of implementation of the High Court order. As my friend, Mr. SalvE has said, ultimately if we only rely on the imposition of President's rule, perhaps, we will be negativing the very mandate of the people who have brought that Government into power. That is not a proper approach at thig stage. But then the point is there could be other alternatives, I would only like to know from the hon. Home Minister whether they have certain alternatives. Which alternative they have suggested to the State Government for the purpose of acting thereupon and has the State Government acted thereon? If they have fa^ed, what else they would like to do?

In that event it can also be executed." Ma-d'am, I submit is that the way -"You have not executed it, therefore, I will not execute it"? They are showing such a confrontationist attitude. In the last Assembly elections, I remember, the BJP got 22 per cent of the votes and 78 per cent had gone against the BJP. Even ag ainst this backdrop, how do claim that they have got the mandate from the people?

My second question is, has the U.P. Government tried to remove the so-called kar sevaks from the disputed land? If not, explanation of the U.P. Government for not removing the kar sevaks from the disputed land about which the Lucknow High Court has passed orders?

SHRI PRAMOD MAHAJAN: Under what mandate did Mr. Chimanbhai Patel enter the Congress? (Interruptions).

SHRI VITHALBHAI M. PATEL: You are talking about mandate. I am not talking about mandate. (Interruptions).

Madam, I have one more question. One M. P. from the BJP pleaded for action against the Doordarshan. There are murtis of Ram in the masjid. The Muslims are not allowed to pay namaz there. Is it a fact? Why are the Muslims not allowed to pay namaz there?

SHRI PRAMOD MAHAJAN: It is a court order.

डा० अबरार अहमद: मैंडम, जो पूरा विवाद चल रहा है जिसमें एक तरफ सेक्युलरिज्म है, एक तरफ कम्यु-निलज्म है और सामने देश की 85 करोड़ जनता के रिलीजियस सेंटीमेंट्स हैं। जिनको मैं कम्युनलिज्म कह रहा मैं हाथ जोडकर माफी मांगते हए यह कहंगा कि बी.जे.पी. इसकी अपने उपर न ले क्योंकि ब्राज साम्प्रदायिक शक्तियां ग्रीर संगठन हैं जो देश में भी ग्रीर श्रयोध्या में भी काम कर रहे हैं। तो कूल मिलाकर यह जो झगड़ा चल रहा है, 85 करोड़ स्रादमियों के जो रिलीजियस सेंटीमेंट्स हैं उन रिलीजियस सेंटीमेंट्स ग्रीर कम्यलिज्म सेंटीमेंट्य को मिलाकर एक राजनीतिक लाभ लेने का खेल चल रहा है श्रीर जो सैक्युलर शक्तियां हैं, वें कम्युलिज्म को ग्रौर रिलीजियस सेंटीमेंटस को ग्रलग रखने की बात कह रही हैं, सारा झगड़ा इसी बात पर है। यहां जो दो मुद्दे बिल्कुल ग्रलग हैं उन्हें मिलाया जा रहा है।

महोदया, पहला मुद्दा जो है, उसको चाहे हम स्ट्रक्चर कह लें, चाहे राम जन्मभमि-बाबरी मस्जिद कह लें, खाली मस्जिद कह लें, उस स्ट्क्चर को नकसान नहीं पहुंचाने वाली बात या डा॰ अवाभ भहमद]

नहीं गिराने वाली बात है। माननीय सिकन्दर बस्त जी ने जो दात कही, मैं उनका बहुत ग्रादर करता हूं ग्रीर स्वागत करता हूं, लेकिन सवाल यह है कि जो नीयत है, ग्रगर वास्तव में नीयत साफ है तो उनको जितनी भी सैक्यलर पार्टियां बैठी हुई हैं, उन सबको कहना चाहिए कि यह ढांचा या मस्जिद या राम जन्मभूमि-बाबरी मृह्जिद हम ग्रापके सुपुर्द करते हैं, श्राप जैसे चाहें इसकी सुरक्षा कर लीजिए जिससे न आज न भविष्य में इसको नुकसान हो। तो मैं यह मानकर चलता हूं कि उनकी नीयत साफ है लेकिन अगर यह कहें कि केन्द्रीय सरकार वहां सूरक्षा क लिए पी.ए.सी. को हटाकर दूसरी पेरामिलिट्टी फोर्स को लगाना चाहती है तो उसको मना करें, बेरीकेड लगाने की बात करें तो उसको मना करें तो नीयत पर शक होना एक वाजिब बात है। तो श्रगर इस बात का वास्तव में वह साल्यशन च हते हैं और नीयत साफ है तो यह पूरे राष्ट्र को समझा दें, सेक्युलर पार्टियों को समझा दें ग्रौर कहें कि जैसे सब कहे उस तरह से हम इसकी सूरक्षा करने को तैयार हैं।

दूसरी बात जो मन्दिर बनाने का मुद्दा है। महोदया, मदिर बनाने की बात कांग्रेस के मेनिफेस्टो में है। मंदिर बनाने का कोई व्यक्तिगत रूप से बिल्कुल ठेकेदार नहीं है। ...(व्यवधान) लेकिन कानुन की धज्जियां उड़ाकर या संविधान की धिज्जियां उड़ाकर या हाई कोर्ट के ग्रादेशों की ग्रवहेलना करके मंदिर बनाने की बात न करें। सब मिलजुल कर जिस प्रकार से खुद कांग्रेस पार्टी कभी मंदिर के लिए मना नहीं करती है, ग्रपने **मेनिफे**स्टो में राजीव जी ने उसको रखा था, नरसिंह राव जी ने खद उसके लिए कहा है, उसका ग्रादर करते हैं। मंदिर बनाने का इस देश के झंदर व्यक्तिगत रूप से कोई संगठन, कोई दल या कोई स्वयं ठेकेदार नहीं है । 85 करोड़ की ग्राबादी वाले इस देश का प्रत्येक ग्रादमी मंदिर बनाना चाहता हैं, लेकिन कानुन की धब्जी उडाकर नहीं, संविधान की उपेक्षा करके नहीं।

SHRIMATI KAMLA SINHA; Madam, I have been seeking your permission since

THE DEPUTY CHAIRMAN: I will permit you after him. Let him finish.

SHRI GURUDAS DAS GUPTA: Madam, I am surprised by the ques tions put to the Leader of the Opposi tion and I am equally surprised by the answer because if by this time, the strategy of the BJP is not clear to the elderly statesmen I do know what is going to happen to the country. Despite the assurance that the masjid will not be destroyed, what they are doing plainly is this. They are building a permanent structure around in a way that the masjid is eaten up by the so-called mandir structure. It is just like that. (Interruptions) . Madam, a specific direction from the court was: "There shall not be any permanent structure.." The permanent structure is being built in such a way that the masjid does not remain there. It is a simple truth. The BJP Government is not responding to the course of political persuasion. They are deliberately doing so. It is a deliberate failure. It is no1 that the Chief Minister wants it and somebody else doesn't want it. It is not like that. (Interruptions)

THE DEPUTY CHAIRMAN: Leave some time for the Home Minister to answer because I have to adjourn the House.

SHRI GURUDAS DAS GUPTA: Deliberately, they are not responding t< the line of persuasion. Therefore, £ situation has come where we have to find out an alternative to political persuasion because the BJP Govern ment would like to become a martyr They would like their Government to be dismissed to prove to the entire Hindu community that they have gone down in the history as a martyi

because they panted to protect the mandir. Therefore, there has to be a hard option and the option lies in the fact that there has to be a direction from the Central Government as per the Constitution. (Interruptions)

That is why the Chief Minister said that he has specially requested her to go to Ayodhya and try to persuade these saints and mahants who, in fact, are bent up. on violating the Court orders. 1 am sure, but this is subject to the condition that this will not be made a plea in the Supreme Court because filing the happens to be the last day for affidavit, and if by any chance the U. Earlier when we wanted to launch Agni, Prithvj and rocket technology, America built up pressure against our country. Again, Madam, because we are not signing the N. P. T., U. S. A. has decided that they would not give advanced technology in computers to Ind'a. Madam this is what we have seen. The U. S. officials have informed the Indian computer industry that the U. S. have decided that since India was not signing the NPT and was not responding to the other measures which the U. S. would like India to enfroce...

THE DEPUTY CHAIRMAN: I have to adjourn the House. You please wind up, Mr. Desai.

SHRI JAGESH DESAI: Madam, as such I want the Government make a statement that wo have not succumbed to the pressure of America and we should develop our own computer technology and to tell America in no uncertain terms that it cannot dictate to our country. In the name of not supplying computers, they want to pressurise India to follow the American line and sign the NPT. Our Prime Minister has made it very clear that we are not going to do it and I am sure our Government will stand by it and see that we develop our computer knowhow and R&D and we do not depend on America for any such imports otherwise, our country will become one of the satellites of the USA. I am sure the Government will see that we develop our own computer system and do not depend upon USA.

Now, he feels that there is some foul play because they have gone for the very specific purpose of INSAT launch. Is there any foul-play? Some people, some power, are trying to get them sick. SHRI GURUDAS DAS GUPTA: Madam,..

THE DEPUTY CHAIRMAN: What is your concern? You finish it today so

SHRI GURUDAS DAS GUPTA; 1 am raising an important issue.

AN HON. MEMBER: Ayodhya?

THE DEPUTY CHAIRMAN: No Ayodhya is over.

SHRI GURUDAS DAS GUPTA: Madam, only three days back there has been a remark by the Special Judge appointed by the Government for the investigation which we described as "the securities scam"; I describe it securities scandal. On that particular day the judge has commented, I am just reading..

THE DEPUTY CHAIRMAN: 1 did not permit you to read.

SHRI GURUDAS DAS GUPTA" Okay. The Judge has commented that the people against whom there was sufficient evidence—they are bank officers — had been left out and they had not been arrested and nothing had been done against them. Secondly, the Judge has commented that it seemed that the CBI was concerned about a single man, not about the wider ramifications. Madam, this is not the irresponsible Opposition which is hurling the abuse; it is the Judge who is making out such a case. Therefore Madam, I appeal to the Government, Parliamentary Affairs Minister.

THE DEPUTY CHAIRMAN: The Parliamentary Affairs Miniter.

SHRI GURUDAS DAS GUPTA; 1 appeal to the Minister of Finance —— because the investigation is being carried out directly by the Finance— to take care of the comments of the Judge and immediately proceed against those persons who are connected with that. In this case I know that a particular Chairman of a particular bank against whom there is a serious allegation has not been arrested and he is enjoying the lavish comforts in a particular guest house of a particular nationalised bank. (Interruptions). They are being looked after openly by the CBI. I am not accesing.

THE DEPUTY CHAIRMAN: That is over

SHRI GURUDAS DAS GUPTA: I wish the Government sincerely proceed in the investigation without leaving the persons who are connected with it and takes care of the order of the Judge.

THE DEPUTY CHAIRMAN: Order. I am judge of the House. Please take your seat. The Home Minister is not concerned with it. The Home Minister has heard it and he will, I am sure, convey your feeling, as he has been doing all along.

Before I adjourn the House for lunch, I must say that we have a calling-attention to a matter of very urgent public importance. Unfortunately we could not take it up. After lunch, at 2.30 p.m. we will take up this matter Now the House is adjourned for lunch.
