Effect of import compression measures on industry

3167. DR. SHRIKANT RAMCHAND-RA JICHKAR: Will the PRIME MINISTER be pleased to state:

(a) what has been the over all effect of the import compression measures on the industry initiated in 1990-91 and continued during the current year; and

(b) whether Government propose to continue these measures and for how long?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (DEPARTMENT OF INDUSTRIAL DEVELOPMENT) (SHRIMATI KRISHNA SAHI): (a) The shortage of imported raw material, components, spares and capital goods, as a result of import compression measures, contributed among other factors, to a declaration in industrial growth rate.

(b) Since February, 1992, the requirement of cash margin for imports and the levy of surcharge of 25 per cent on the rate of interest charged on import finance by Banks have been withdrawn. Besides, with the elimination of system of Import Licensing and the provision for import of most of industrial inputs and capital goods without any restriction except for a small Negative List of Items, as per Export & Import Policy, 1992-97, the cut and restrictions on imports imposed earlier, have also been lifted.
