Deposit mobilisation by banks

3785. SHRI V. NARAYANASAMY: Will the Minister of FINANCE be pleased to refer to the answer to Starred Question 85 given in the Rajya Sabha on 14th July, 1992 and state:

(b) whether it is a fact that the foreign banks operating in India are ahead in deposit mobilisation as compared to various Indian Banks; and

(b) if so, what are the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI DAL-BIR SINGH): (a) Reserve Bank of India (RBI) have reported that the rate of growth of deposits of foreign banks in 1991-92 was higher than the rate for Indian banks;

(b) The performance of foreign banks in Indian *vis-a-vis* public sector banks is not comparable because the branches of foreign banks in India are located in metropolitan cities and port towns whereas the branches of public sector banks are spread all over the country covering semi-urban and rural areas also. Moreover, foreign banks have world-wide net works of branches which enable them to attract more deposits from Non Resident Indians.

Floating of bond for Krishna Valley projects

3786. SHRI SHJVAJIRAO GIRIDHAR PATIL: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that allocation for irrigation projects of Maharashtra is for short than the need for completing the Krishna Valley projects before the year 2000;

(b) whether it is also a fact that Government of Maharashtra have requested him to grant permission to float bonds for public borrowings for the purpose*, and

(c) if so, what are the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI RAMESHWAR THAKUR): (a) It may not be possible for the Maharashtra Government to complete all the proposed major and medium irrigation projects in Krishna basin by the year 2000 on the basis of approved outlay as it stands now.

'b) and (c) Yess Sir. However, the present scheme of public sector bonds is restricted to only those undertakings where entire equity is held by Central Government.
