

(b) and (c) In order to ascertain the veracity/eligibility of acceptors of family planning methods as reported by the States/Union Territories, a scheme of continuous sample verification has been in vogue. This is being carried out both by Central and the State Governments machinery. Based on the findings of these field sample checks, regular feed back is sent to the concerned State Governments enabling them to take suitable remedial steps, with a view to improving the quality of the Family Welfare Programme. However, as and when ineligible cases come to notice, the State Governments/Union Territories are requested to have these cases investigated for taking appropriate corrective action.

#### **Research on caterpillars**

2130. SHRIMATI VEENA VERMA : Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state :

(a) whether the National Institute of Immunology has been carrying out any research to use caterpillars for mass production of sex hormones to be used as anti-pregnancy vaccines ; and

(b) if so, with what success so far ?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI D.K. THARA DEVI SIDDHARTHA) : (a) Yes, Sir. The National Institute of Immunology has been carrying out research on caterpillars for production of pregnancy hormone, h C G (Human Chorionic Gonedotropin) which can be used, eventually, as an ingredient of the anti-pregnancy, vaccine.

(b) Research studies so far conducted show that the sub-unit of h C G is made in this genetically engineered system. However, the workability of the sub-unit made in

this system for the vaccine is still to be evaluated.

#### **Complaints against the supply of contaminated glucose bottles**

2131. SHRI DILIP SINGH JUDEV : Will the Minister of HEALTH AND FAMILY WELFARE be pleased to refer to the answer to Unstarred Question 858 given in the Rajya Sabha on the 13th August, 1990 and state :

(a) whether a complaint regarding the contaminated glucose bottles was also lodged with the Drug Controller of India ; and

(b) if so, the date of complaint and the action taken by the Drug Controller on the basis of that complaint ?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI D.K. THARA DEVI SIDDHARTHA) : (a) and (b) The Drugs Controller (India) came to know about the contaminated glucose case from the Central Bureau of Investigation (CBI) on 9-10-1989. The CBI had requested the DGHS that samples of allegedly contaminated IV fluids lying with M/s. Eskay Pharmaceuticals, New Delhi, may be got tested by the Central Drugs Laboratory after being drawn by the Central Inspectors.

The Central Drugs Inspectors of the North Zone, randomly drew samples of 20 bottles and sent them to the Central Drugs Laboratory, Calcutta, for test and analysis. Out of these samples, 14 samples were found not of standard quality for the reasons that they contained fungus. One sample failed in pyrogen test and five samples were declared to be of standard quality.

Based on the results of the analysis and investigations, prosecution was launched against M/s. Eskay Pharmaceuticals as well as M/s. Osier Pharma

Ltd. in the Court of 1st class Metropolitan Magistrate, Tis Hazari, Delhi under the provisions of Drugs & Cosmetics Act and Rules thereunder. The matter is, still, sub-judice.
