Problems in Tripura due to barbed wire fencing

330. SHRI MATILAL SARKAR: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government has pinpointed the areas on the international border of Tripura where the barbed wire fencing has been erected about 200 to 500 metre inside Indian territory from the zero-point;

(b) whether Government is aware that a good number of families have been additionally affected for this reason and cases of harassment have been occurring almost every where;

(c) the details of the incident of firing by BSF personnel on the public, causing deaths and injuries on 19.01.09 at Boxonagar in Tripura; and

(d) the remedy contemplated for all these cases?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRIMATI RADHIKA V. SELVI): (a) and (b) Due to topographical configuration, thick habitation, riverine stretches, presence of forests and resistance offered by Bangladesh Rifles, the fencing works in some patches in Tripura along Indo-Bangladesh Border has been taken up at a distance of more than 150 yards from the International border line (zero-point), inside Indian territory. Some location specific cases of families affected by fencing have come to the notice of the Government and proper redressal of public grievances are being done through remedial measures like financial assistance and by providing houses under Indira Awas Yojana, etc. Proper gates have been provided at intervals and timings for opening of gates is decided by BSF in consultation with the local population, to facilitate the farming activities.

(c) and (d) As per the available information, on 19.01.09 the BSF raided a place at Dhupuria Bandh (Boxonagar) in Tripura, acting on an information about smuggling of 'Gamja'. During the raid, BSF was attacked by smugglers. In retaliation BSF fired, which has resulted in killing of two civilians and injuries to five others including one BSF Jawan.

Following remedial measures have been contemplated for handling such cases:-

(i) Troops have been educated not to open fire in populated areas;

- (ii) Troops are advised to associate local police before raiding places for contraband/narcotic items and their seizure, particularly in thickly populated areas.
- (iii) Firing in panic must be avoided.
- (iv) Troops have been instructed to fire only in self defence.
