

(c) what is the action plan of the Government to help out this beleaguered lot?

THE MINISTER OF STATE IN THE DEPARTMENT OF COMMERCE, MINISTRY OF COMMERCE AND INDUSTRY (SHRI JAIRAM RAMESH): (a) No, Sir. Government of India had announced a rehabilitation package for closed tea gardens to enable the owners of closed tea gardens to revive the gardens in the interest of tea garden workers. This rehabilitation package was notified in June, 2007 but so far, only one tea garden has availed the package.

(b) and (c) Plantation is a permissible activity under NREGA. Tea workers are eligible under NREGA to apply through NREGA processes for NREGA works. However, the pruning of tea bushes is not permissible under NREGA as it is part of the commercial operations of tea plantations carried out in land leased to companies and so the activity pertains to assets that are private in nature. Government is constantly interacting with Tea Garden Owners and Bankers to revive these closed tea gardens in the overall interest of the tea garden workers and the importance of this industry in the export performance of the country.
