THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI CHANDRA SEKHAR SAHU): (a) The basic unit for providing employment under NREGA is household and not an individual. District-wise number of households provided employment in Uttar Pradesh and Bihar, during the years 2006-07 and 2007-08, are given in the Statement (See below).

(b) NREGA is demand driven and not an allocation based programme. Funds released to these States during the past two years are as under

(Rs. in lakhs)

Name of the State	Funds released during 2007-08	Funds released during 2007-08
Uttar Pradesh	56914.69	166589.89
Bihar	54831.38	46707.83

(c) and (d) Monitoring of NREG Act is a continuous Process. Performance of NREGA is monitored periodically by Minister (RD) and Secretary (RD) during fortnightly meetings, Performance Review Committee meetings and State specific review meetings. Feedback from States on financial indicators *i.e.* funds available/utilized, amount paid as wages, material and administrative expenses is obtained on monthly basis in the form of Monthly Progress Reports. These Reports are available on the web-site of NREGA. Further, the next tranche of central funds are released to the districts on utilization of 60% of available funds along with supporting documents on their claim. The Ministry of Rural Development requested C and AG to conduct performance audit of the implementation of NREGA for the year 2006-07. Accordingly, C and AG conducted performance audit of 68 districts, including six districts of Bihar and six districts of Uttar Pradesh for the period from February, 2006 to March, 2007. Final audit report of C and AG has been laid on the Table of the House on 24.10.2008.
