

- Litigations related to NRI marriages should be taken up in fast track Courts.
- Whenever there is an ongoing litigation in a foreign court, the Indian bride's case should not go un-represented.
- A vigorous information campaign may be launched to educate prospective brides and their families to take possible precautions before entering into marriage alliance with overseas Indians.
- States/Union Territories should pass on information regarding Court Orders against NRIs to Emigration Authorities to prevent such people from leaving India against these orders.
- Bilateral agreements may be signed with foreign countries to protect the victims of NRI marriages.
