Guidelines for approval of Bio-equivalence Centre

2156. MISS MABEL REBELLO: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that there are no guidelines for approval of bio-equivalence centres;

(b) if so, how the approvals are being granted by the Drug Controller; and

(c) whether the Drug Controller-General of India is accepting study reports from Centres which have no approval and when do they propose to come out with guidelines?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P. THAKUR): (a) to (c) Bio availability is the process by which the drug is released from the oral dosage form and moves to the site of action. Bioavailability data provides an estimate of the fraction of the drug absorbed as well as its subsequent distribution and elimination.

Under the provisions of the Drug and Cosmetics Rules, there is no specific statutory requirement for approval of centres/laboratories which undertake bio-availability or bioequivalence studies. However, there are internationally accepted norms about the facilities which are required to undertake such studies, the
