(a) and (b) The dispute between M/s Best India Tobacco (P) Ltd., Guntur, and M/s SNTA, Algeria relates to a contract signed between M/s SNTA and three Indian tobacco exporters in 1991 for supply of 3500 tonnes of tobacco over a three-year period. The dispute centres on a claim preferred by M/s SNTA for weight loss compensation of 230 tonnes of tobacco on account of insect infestation. Although this is essentially a commercial dispute between two companies, Government of India has acted to encourage a mutually satisfactory conclusion to this dispute. The Indian exporter has been directed to settle the matter with the Algerian party, with the Tobacco Board strictly playing the role of facilitator. A delegation led by Chairman, Tobacco Board, to Algeria in February 2000, had also made an attempt to help in settling this dispute. However, the dispute remains unresolved till date.

(c) and (d) M/s SNTA, which is the Algerian Government tobacco monopoly, had discontinued import of tobacco from India since 1994. According to data from the Directorate General of Commercial Intelligence & Statistics, the
