

Shortage of Currency Notes in the Country

•366. DR. NARREDDY THULASI
REDDY:
SHRI SANTOSH BAGRODIA:

Will the Minister of FINANCE be pleased to state:

(a) whether Government's attention has been drawn to the news item appearing in the Hindustan Times, New Delhi of the 24th November, 1991 in which it has been stated that the country is bound to face shortage of currency notes of denomination of Rs. 50, Rs. 100 and Rs. 500;

(b) if so, what are the reasons therefor; and

(c) what remedial measures have been taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI DALBIR SINGH): (a) Yes, sir.

(b) The two existing note printing presses at Nasik and Dewas do not have adequate production capacity to fully meet Reserve Bank India's demand for fresh notes.

(c) The following remedial measures have been taken by Government for bridging the gap between demand and supply:

(i) The existing two note printing presses at Nasik and Dewas have been put on two shift working of 24 hours since 1984.

(ii) Printing of Rs. 500 denomination notes has been resumed.

(iv) Earlier Nasik Press was printing lower denomination notes i.e. upto Rs. 10 only, It has now taken up printing of Rs. 50 and Rs. 100 denomination.

A decision has been taken to coinize Rs. 1, Rs. 2 and Rs. 5 in a phased manner and to divert the capacity so released for printing of higher denomination notes.

(v) RBI has issued instructions to all the banks maintaining currency chests to sort out notes available with them into re-issuable and non-issuable and to issue to public and other banks re-issuable notes along with fresh notes.

(vi) Government have decided to set up two new note printing presses with combined annual production capacity of about 10,000 million pieces—one at Salboni in West Bengal and the other at Mysore in Karnataka under the aegis of RBI.

Rupee-Rouble exchange rate

*367 SHRI KAPIL VERMA:
SHRIMATI BASANTI SARMA:

Will the Minister of COMMERCE be pleased to state:

(a) whether Government's attention has been drawn to the statement of the Chief of USSR Trade Mission in India that the Rupee Rouble exchange rate does not have any impact on Indo-Soviet trade rate:

(b) if so, what is government's reaction thereto;

(c) what is the present position of the Rupee Rouble exchange rate; and

(d) "what is Government's reaction to the statement of the Chief of the USSR Trade Mission that the new decreased rate of Rouble cannot be applied to long term Soviet credit?"

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI P. CHIDAMBARAM): (a) Yes, Sir.

(b) The Government does not agree with the views expressed in the Article. The fixation of the Rouble-Rupee rate without their relative linkage to convertible currencies has had an adverse impact by enhancing the credit repayments through exports.

(c) The present rate is: 1 Rouble = Rs. 31.7874.

(d) Two rounds of negotiations have already been held regarding the revision of rouble rupee exchange rate and its application to past credits. Efforts are on to discuss the issue further in negotiations to be held in near future.

Obstacles in the implementation of Kayamkulam Thermal Power Project

*368. SHRI MA. BABY: Will the Minister of power and NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

(a) whether it is a fact that executives of NTPC's Kayamkulam Project are being transferred, temporarily to various other NTPC project due to uncertainty in the implementation of the project;

(b) if so, what are the problems being faced and what action is being taken to tackle the obstacles in the way of faster implementation of the project; and

(c) by when the work of the project is expected to start and by when will these executives be transferred back to the Kayamkulam project?

THE MINISTER OF STATE OF THE MINISTRY OF POWER AND NON-CONVENTIONAL ENERGY SOURCES (SHRI KALP NATH RAI): (a) A few executives from Kayamkulam have been transferred only to meet the needs of additional manpower at Kahalgaon and Farakka projects which are in advanced stages of erection/pre-commissioning and not due to uncertainty in the implementation of the Kayamkulam project.

(b) Does not arise in view of (a) above.

(c) The work on the project will start in full swing after investment approval of the Government is received. Requisite number of officers and staff will be posted at the project to match the schedule of implementation of the project.

Agreement between US Exim Bank and SBI Capital Market Ltd., Bombay

*369. SHRIMATI BASANTI SARMA:
SHRI KAPIL VERMA:

Will the Minister of FINANCE be pleased to state:

(a) whether the U.S. Exim Bank and the S.B.I Capital Market Limited, Bombay have signed an agreement for 10 Million dollars; and

(b) if so, what are the provisions of the agreement and what are its advantages for the Indian entrepreneurs?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI RAMESHWAR THAKUR): (a) Yes, Sir.

(b) The agreement dated 5th December, 1991 provides financing of 85% of the cost of equipment, imported from the United States of America (USA) with atleast 50% USA content. The credit line is repayable in ten semi-annual instalments and bears interest of 9.2% p.a. The Indian entrepreneurs can take advantage of the agreement to finance the foreign exchange requirements of their imports.

Implementation of Recommendations of IVth Pay Commission on payment of HRA

370. SHRIMATI MIRA DAS:
SHRI CHIMANBHAI MEHTA:

Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that the Fourth Pay Commission has recommended that the Central Government employees serving in cities with a population of over four lakhs are eligible for B-2 grade House Rent Allowance;

(b) if so, by when Government would implement this recommendation; and

(c) whether Government would take into consideration the latest population census for this purpose?
